Total Car Care is the most complete, step-by-step automotive repair manual you'll ever use. All repair procedures are supported by detailed specifications, exploded views, and photographs. From the simplest repair procedure to the most complex, trust Chilton's Total Car Care to give you everything you need to do the job. Save time and money by doing it yourself, with the confidence only a Chilton Repair Manual can provide.

Chilton's original line of model-specific information covers older vehicles. Each manual offers repair and tune-up guidance designed for the weekend for the weekend mechanic, covering basic maintenance and troubleshooting. For the hobbyist or used car owner, this information is essential and unavailable elsewhere. All books are paperback.

Today's technologies are a world apart from the cars of a generation ago. That's why Chilton created a new breed of model-specific repair manuals -- so comprehensive they set the standard. Written in response to consumer studies, they give your customers exactly what they want and need in specific automotive information. Total Car Care provides the amateur mechanic with two essential ingredients: -- In-depth information on all systems from headlights to exhaust -- Complete, easy-to-follow, illustrated, procedural directions for disassembly, removal, replacement and reinstallation Each volume lives up to its name with total information, including: -- Photographs and illustrations throughout -- Diagnostic and troubleshooting sections throughout -- Actual wiring and vacuum diagrams -- Complete electronic controls information -- Tune-up specs and maintenance schedules -- Emissions controls data, environmental and safety information

Provides guidance in choosing and purchasing used vehicles from 1990 to the present, recommends a variety of models, and includes information on recalls, price ranges, and specifications.

"A wildly original novel that pulses with heart and truth . . . That this powerful exploration of friendship, desire, ambition, and secrets manages to be ebullient, gripping, heartbreaking, and deeply deeply funny is a testament to Kayla Rae Whitaker's formidable gifts. I was so sorry to reach the final page. Sharon and Mel will stay with me for a very long time."—Cynthia D'Aprix Sweeney, author of The Nest NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Entertainment Weekly • NPR • Kirkus Reviews • BookPage She was the first person to see me as I had always wanted to be seen. It was enough to indent me to her forever. In the male-dominated field of animation, Mel Vaught and Sharon Kisses are a dynamic duo, the friction of their differences driving them: Sharon, quietly ambitious but self-doubting; Mel, brash and unapologetic, always the life of the party. Best friends and artistic partners since the first week of college, where they bonded over their working-class roots and obvious talent, they spent their twenties ensconced in a gritty Brooklyn studio. Working, drinking, laughing. Drawing: Mel, to understand her tumultuous past, and Sharon, to lose herself altogether. Now, after a decade of striving, the two are finally celebrating the release of their first full-length feature, which transforms Mel's difficult childhood into a provocative and visually daring work of art. The toast of the indie film scene, they stand at the cusp of making it big. But with their success come doubt and destruction, cracks in their relationship threatening the delicate balance of their partnership. Sharon begins to feel expendable, suspecting that the ever-more raucous Mel is the real artist. During a trip to Sharon's home state of Kentucky, the only other partner she has ever truly known—her troubled, charismatic childhood best friend, Teddy—re-enters her life, and long-buried resentments rise to the surface, hastening a reckoning no one sees coming. A funny, heartbreaking novel of friendship, art, and trauma, The Animators is about the secrets we keep and the burdens we shed on the road to adulthood. "Suffused with humor, tragedy and deep insights about art and friendship."—People "[A] stunning debut."—Variety "A compulsively readable portrait of women as incandescent artists and intimate collaborators."—Elle

This book steers buyers through the the confusion and anxiety of new and used vehicle purchases unlike any other car-and-truck book on the market. "Dr. Phil," Canada's best-known automotive expert for more than forty-five years, pulls no punches.
