These prayers have been developed during Aslan's Place events, Bible studies, prayer sessions and through revelation. They provide an opportunity to enter into new freedom as you exercise the authority you have through Jesus Christ over your life and family line.

People are hungry for greater spiritual freedom in their life. In our ministry at Aslan's Place we've seen this evidenced in hundreds of requests for our prayer book, Generational Prayers. What's the connection? God has used these prayers to bring remarkable freedom to people. As requests have grown and more prayers have been added, God led Paul L. Cox to compile them into a new book, Come Up

Clinical psychologist and author of *The Defining Decade*, Meg Jay takes us into the world of the supernormal: those who soar to unexpected heights after childhood adversity. Whether it is the loss of a parent to death or divorce; bullying;

alcoholism or drug abuse in the home; mental illness in a parent or a sibling; neglect; emotional, physical or sexual abuse; having a parent in jail; or growing up alongside domestic violence, nearly 75% of us experience adversity by the age of 20. But these experiences are often kept secret, as are our courageous battles to overcome them. Drawing on nearly two decades of work with clients and students, Jay tells the tale of ordinary people made extraordinary by these all-too-common experiences, everyday superheroes who have made a life out of dodging bullets and leaping over obstacles, even as they hide in plain sight as doctors, artists, entrepreneurs, lawyers, parents, activists, teachers, students and readers. She gives a voice to the supernormals among us as they reveal not only "How do they do it?" but also "How

does it feel?" These powerful stories, and those of public figures from Andre Agassi to Jay Z, will show supernormals they are not alone but are, in fact, in good company. Marvelously researched and compassionately written, this exceptional book narrates the continuing saga that is resilience as it challenges us to consider whether -- and how -- the good wins out in the end.
