A PBS Great American Read Top 100 Pick The beloved American classic about a young girl's coming-of-age at the turn of the century. From the moment she entered the world, Francie needed to be made of stern stuff, for the often harsh life of Williamsburg demanded fortitude, precocity, and strength of spirit. Often scorned by neighbors for her family's erratic and eccentric behavior--such as her father Johnny's taste for alcohol and Aunt Sissy's habit of marrying serially without the formality of divorce--no one, least of all Francie, could say that the Nolans' life lacked drama. By turns overwhelming, sublime, heartbreaking, and uplifting, the Nolans' daily experiences are tenderly threaded with family connectedness and raw with honesty. Betty Smith has, in the pages of *A Tree Grows in Brooklyn*, captured the joys of humble Williamsburg life--from "junk day" on Saturdays, when the children of Francie's neighborhood traded their weekly take for pennies, to the special excitement of holidays, bringing cause for celebration and revelry. Betty Smith has artfully caught this sense of exciting life in a novel of childhood, replete with incredibly rich moments of universal experiences--a truly remarkable achievement for any writer.

"A rediscovered treasure." -- Maureen Corrigan, *Washington Post* From Betty Smith, author of the beloved classic *A Tree Grows in Brooklyn*, comes a poignant story of love, marriage, poverty, and hope set in 1920s Brooklyn. *Tomorrow Will Be Better* tells the story of Margy Shannon, a shy but joyfully optimistic young woman just out of school who lives with her parents and witnesses how a lifetime of hard work, poverty, and pain has worn them down. Her mother's resentment toward being a housewife and her father's inability to express his emotions result in a tense home life where Margy has no voice. Unable to speak up against her overbearing mother, Margy takes refuge in her dreams of a better life. Her goals are simple--to find a husband, have children, and live in a nice home--one where her children will never know the terror of want or the need to hide from quarreling parents. When she meets Frankie Malone, she thinks her dreams might be fulfilled, but a devastating loss rattles her to her core and challenges her life-long optimism. As she struggles to come to terms with the unexpected path her life has taken, Margy must decide whether to accept things as they are or move firmly in the direction of what she truly wants. Rich with the flavor of its Brooklyn background, and filled with the joys and heartbreak of family life, *Tomorrow Will Be Better* is told with a simplicity, tenderness, and warmhearted humor that only Betty Smith could write.

Smith's "*A Tree Grows in Brooklyn*" captured the imagination of readers in 1943. In the first published biography of Smith, the real-life stories behind the heroes in her novel are told.

In this essay collection David Lazar looks to our intimate relationships with characters, both well-known and lesser known, from Hollywood's Golden Age. Veering through considerations of melancholy and wit, sexuality and gender, and the surrealism of comedies of the self in an uncanny world, mixed with his own autobiographical reflections of cinephilia, Lazar creates an alluring hybrid of essay forms as he moves through the movies in his mind. Character actors from the classical era of the 1930s through the 1950s including Thelma Ritter, Oscar Levant, Martin Balsam, Nina Foch, Elizabeth Wilson, Eric Blore, Edward Everett Horton, and the eponymous Celeste Holm all make appearances in these considerations of how essential character actors were, and remain, to cinema.
