Besides the reading, I also recommend the completing the practice tests in the back of the Arco study-guide under timed conditions... A higher score on the AFAST will put you in a higher ranking/rating for a seat. Since seats are most of the time limited, I recommend reading all 3 books, studying the Arco guide and taking the practice tests.

This is the same guide I used and scored a 70. But yes, the math section is completely useless and half wrong, so please do your due diligence on the math section and study some basic college level algebra. I also highly recommend reading the first 4 chapters of the FAA Rotorcraft manual. It helped me a lot more than I thought it would.
