students' lives today, and meets social studies 3C standards and most state standards (grades 6-12). The author provides over 90 primary sources organized into seven thematic units, each structured around an essential question from world history. As students analyze carefully excerpted documents--including speeches by queens and rebels, ancient artifacts, and social media posts--they build an understanding of how diverse historical figures have approached key issues. At the same time, students learn to participate in civic debates and develop their own views on what it means to be a 21st-

Alexander the Great conquered territories on a superhuman scale and established an empire that stretched from Greece to India. He spread Greek culture and education throughout his empire, and was worshipped as a living god by many of his subjects. But how great is a leader responsible for the deaths on tens of thousands of people? A ruler who prefers constant warring to administering the peace? A man who believed he was a god, who murdered his friends, and recklessly put his soldiers lives at risk? Ian Worthington delves into
