History of medieval India begins with the invasion of Turks in India after Rajput period. The successful resistance of Muslim invasions from 7th century to 11th century was done by the Rajput kings of India. But after the third war of Tarain, the first specimen of Muslim architecture in India starts from the time of Qutb-ud-din Aibak. However, in the beginning of the history of medieval India, the same pattern of architecture is found in ancient India.
