~~Attachment-Based Therapy + Psychology Today~~

I found Attachment in Psychotherapy to be one of the best books I have read on attachment. It tells you clinically what to do with clients and how to do it--step by step. I have read many books on attachment and went an attachment disorder conference in LA in May 2015. It didn't cover anything like this.

~~Attachment in Psychotherapy by David J. Wallin~~

Attachment can be defined as a deep and enduring emotional bond between two people in which each

Theory in Counseling and Psychotherapy. Over the past decade, researchers have found that Bowlby ' s attachment theory (1973, 1988) has important implications for counseling and psychotherapy (Cassidy & Shaver, 1999, Lopez, 1995; Lopez & Brennan, 2000; Mallinckrodt, 2000). Attachment theory is a theory of affect regulation and interpersonal relationships.
