Foreword written by Nancy Pearcey "Parents are the most important apologists our kids will ever know. Mama Bear Apologetics will help you navigate your kids' questions and prepare them to become committed Christ followers." -J. Warner Wallace "If every Christian mom would apply this book in her parenting, it would profoundly transform the next generation." -Natascha Crain #RoarLikeAMother The problem with lies is they don't often sound like lies. They seem harmless, and even sound right. So what's a Mama Bear to do when her kids seem to be absorbing the culture's lies uncritically? Mama Bear Apologetics™ is the book you've been looking for. This mom-to-mom guide will equip you to teach your kids how to form their own biblical beliefs about what is true and what is false. Through transparent life stories and clear, practical applications—including prayer strategies—this band of Mama Bears offers you tools to train yourself, so you can turn around and train your kids. Are you ready to answer the rallying cry, "Mess with our kids and we will demolish your arguments"? Join the Mama Bears and raise your voice to protect your kids—by teaching them how to think through and address the issues head-on, yet with gentleness and respect.

Winner of the Newbery Medal, Coretta Scott King Author Award, and Kirkus Prize for Young Readers' Literature! Perfect for fans of Raina Telgemeier and Gene Luen Yang, New Kid is a timely, honest graphic novel about starting over at a new school where diversity is low and the struggle to fit in is real, from award-winning author-illustrator Jerry Craft. Seventh grader Jordan Banks loves nothing more than drawing cartoons about his life. But instead of sending him to the art school of his dreams, his parents enroll him in a prestigious private school known for its academics, where Jordan is one of the few kids of color in his entire grade. As he makes the daily trip from his Washington Heights apartment to the upscale Riverdale Academy Day School, Jordan soon finds himself torn between two worlds—and not really fitting into either one. Can Jordan learn to navigate his new school culture while keeping his neighborhood friends and staying true to himself? This middle grade graphic novel is an excellent choice for tween readers, including for summer reading. New Kid is a selection of the Schomburg Center's Black Liberation Reading List. Plus don't miss Jerry Craft's Class Act!

The author recommends one hundred of the best books for children, including a variety of works to suit diverse interests, reading levels, and special needs, while also revealing the sometimes humorous process she undertook in choosing entries for the list.

In Alagaëesia, a fifteen-year-old boy of unknown lineage called Eragon finds a mysterious stone that weaves his life into an intricate tapestry of destiny, magic, and power, peopled with dragons, elves, and monsters.

This fun picture book will become your best friend as you teach your kids emotion control and anger management! So Scroll up, Click on 'Buy Now', and Get Your Copy!

A landmark book that reveals the way boys think and that shows parents, educators and coaches how to reach out and help boys overcome their most common and difficult challenges -- by the bestselling author who changed our conception of adolescent girls. Do you constantly struggle to pull information from your son, student, or athlete, only to encounter mumbling or evasive assurances such as "It's nothing" or "I'm good"? Do you sense that the boy you care about is being bullied, but that he'll do anything to avoid your "help"? Have you repeatedly reminded him that schoolwork and chores come before video games only to spy him reaching for the controller as soon as you leave the room? Have you watched with frustration as your boy flounders with girls? Welcome to Boy World. It's a place where asking for help or showing emotional pain often feels impossible. Where sports and video games can mean everything, but working hard in school frequently earns ridicule from "the guys" even as they ask to copy assignments. Where "masterminds" dominate and friends ruthlessly insult each other but can never object when someone steps over the line. Where hiding problems from adults is the ironclad rule because their involvement only makes situations worse. Boy world is governed by social hierarchies and a powerful set of unwritten rules that have huge implications for your boy's relationships, his interactions with you, and the man he'll become. If you want what's best for him, you need to know what these rules are and how to work with them effectively. What you'll find in Masterminds and Wingers is critically important for every parent – or anyone who cares about boys – to know. Collaborating with a large team of middle- and high-school-age editors, Rosalind Wiseman has created an unprecedented guide to the life your boy is actually experiencing – his on-the-ground reality. Not only does Wiseman challenge you to examine your assumptions, she offers innovative coping strategies aimed at helping your boy develop a positive, authentic, and strong sense of self.

A hilarious read-aloud inspired by Irish folklore that's perfect for St. Patrick's Day, featuring colorful artwork in Tomie dePaola's signature style. Jamie O'Rourke is the laziest man in all of Ireland, far too lazy to help his wife on their farm. Then, after a chance encounter with a leprechaun, Jamie finds himself growing the biggest potato in the world. But what will happen when the potato grows too large for Jamie and the villagers to handle?

A Screen-Free Boredom Buster For Your Kid! This awesome dot to dot book includes: - Variety of themes from cute animals, things that go, food and many more! - 3 challenge levels - Bonus levels for an even more exciting challenge - Designed to enhance motor skills and creativity Dot to Dot activities involve the use of freeform hand drawing guided by having to connect each dot in order to create an image. These activities are great at improving hand eye coordination, motor skills and most importantly creativity as the child has to complete the illustration by choosing straight or curved lines to complete the illustration. 3 challenge levels progressively help your child learn how to do dot to dot activities Level 1 Easy: with fewer dot to dots to help your child get the hang of the activities Level 2 Medium: More dot to dots than easy with middling complexity Level 3 Hard: Increased amount of dots with more complex shapes and illustrations Scroll up & Grab Your Copy Today for the Best Pricing Available Only Today!
