Master Studies II " In many respects, this book picks up where the original Master Studies left off. Some of the material shown here is more difficult than that found in the first book. Like Master Studies, it's a workbook of material to use in developing the hands. It is not a drumset or coordination book, although several of the exercises ...

Among the very few truly iconic drum method books, legendary drummer Joe Morello's Master Studies is, according to Morello's own preface, not a "how-to" book, but rather a workbook of material to use in developing the hands for accenting and controlling the different pressures used in single strokes, double strokes, and closed rolls. "You can go through the book using any technique you've been taught," Morello states, "and you can apply the ideas in this book to any style of music ...

Master of the Books by James Moloney is a good book and has an interesting plot that captures the reader although the character development could use some work as throughout the book the reader did not feel for the characters and relate to them. The Master of the Books is a good fantasy book but is not one of the best in the fantasy genre. 416 ...

(Percussion). Like Master Studies , this is a workbook of material to use in developing the hands for drumming. Challenging exercises encourage students to learn slow, sensible and accurate practice techniques.

This book gives exercises for the development of control and technique for playing drums.

Masters of Doom is the amazing true story of the Lennon and McCartney of video games: John Carmack and John Romero. Together, they ruled big business. They transformed popular culture. And they provoked a national controversy. More than anything, they lived a unique and rollicking American Dream, escaping the broken homes of their youth to co-create the most notoriously successful game franchises in history—Doom and Quake—until the games they made tore them apart. Americans spend more money on video games than on movie tickets. Masters of Doom is the first book to chronicle this industry 's greatest story, written by one of the medium 's leading observers. David Kushner takes readers inside the rags-to-riches adventure of two rebellious entrepreneurs who came of age to shape a generation. The vivid portrait reveals why their games are so violent and why their immersion in their brilliantly designed fantasy worlds offered them solace. And it shows how they channeled their fury and imagination into products that are a formative influence on our culture, from MTV to the Internet to Columbine. This is a story of friendship and betrayal, commerce and artistry—a powerful and compassionate account of what it 's like to be young, driven, and wildly creative. "To my taste, the greatest American myth of cosmogenesis features the maladjusted, antisocial, genius teenage boy who, in the insular laboratory of his own bedroom, invents the universe from scratch. Masters of Doom is a particularly inspired rendition. Dave Kushner chronicles the saga of video game virtuos*i* Carmack and Romero with terrific brio. This is a page-turning, mythopoetic cyber-soap opera about two glamorous geek geniuses—and it should be read while scarfing down pepperoni pizza and swilling Diet Coke, with Queens of the Stone Age cranked up all the way. " —Mark Leyner, author of I Smell Esther Williams

A perfect introduction for students and laypeople alike, A Degree in a Book: Philosophy provides you with all the concepts you need to understand the fundamental issues. Filled with helpful diagrams, suggestions for further reading, and easily digestible features on the history of philosophy, this book makes learning the subject easier than ever. Including ideas from Aristotle and Zeno to Descartes and Wittgenstein, it covers the whole range of western thought. By the time you finish reading this book, you will be able to answer questions like: • What is truth? • What can I really know? • How can I live a moral life? • Do I have free will?

The Sailing Master-Book Two: The Long Passage Readers will happily yield to the spell cast by Book Two without having to first read Book One! Conflict. Love. Commitment & Betrayal . . . all abound in this intrepid novel of the sea set in the Golden Age of Sail. The looming shadow of the Napoleonic War dims the waning glow of the Enlightenment, yet Owen Harriet's heartfelt narrative provides insight into the human condition. And an overarching question emerges . . . is this chronicle simply the story of a man, or of an entire age? From the opening broadside at the Battle of the Nile to the ironic conclusion off Ushant, Owen continues to come of age, maintaining a steadfast relationship with his beloved mentor, Ignatius Comet Lau, HMS Eleanor's esteemed Sailing Master. Deep within French Indochina. Lost on the Mekong River. Owen befriends an inscrutable boy monk, only to fall prey to a demonic French privateer. A powerful enigma continues to haunt Owen and he begins to understand. A premonition of unknown origin? An Oracle? Or a remnant calling from his own childhood imagination.

Higher Scores - Easier Prep - Brighter Future How to Master the USMLE Step 1: Askdoc's Method of USMLE Prep will show you how an old grad like me, 16 years out of medical school and who has not opened or read a basic medical science textbook or taken an exam for years was able to ace the USMLE Step 1 with a score of 99/256 by using proven and effective study methods that increase your ability to memorize, retain and recall information faster ... how to create a study plan for the USMLE that will eliminate the guesswork and mistakes from your prep and ensure you will prep correctly and efficiently from the start without wasting time and knowing for certain that you will do well in the exam. how hundreds of people since 2009, some having failed multiple times before, who have enrolled in my prep course have used my method to pass this exam and even ace it. When you buy How to Master the USMLE Step 1 and follow all the principles and study methods described in this book, be confident that you are studying in the most efficient and effective way possible to get a good score in the USMLE Step 1. Do it Once. Do it Right. Get it Over With. Master the USMLE Step 1.

(Percussion). This is the book on hand development and drumstick control. Master Studies focuses on these important aspects: accent studies, buzz-roll exercises, single and double-stroke patterns, control studies, flam patterns, dynamic development, endurance studies, and much more!

Miscellaneous Percussion Music - Mixed Levels

AN INTERACTIVE EXPERIENCE CHILDREN WILL NOT FORGET! Word Queen: Book Four features three stories. Statue letters with kn, wr, gn, ld..., aaaw sound in au al aw/wa, r controlled vowels ar, or, er, ir, ur. The Word Queen is a mysteriously, irresistible character that ingrains the endless rules of decoding the English language into the minds of children. This exciting reading program, created by a National Board Certified teacher, instills the ability to read into kindergarten thru second grade students. Since only about 10% of text can be decoded using the basic 26 letter sounds of the alphabet, this is a much needed program in education today. It is easily implemented and designed to accommodate the time constraints of teachers. The Word Queen engages children holistically through real life interactions and creates an enthusiasm and eagerness to learn! Teachers say: "The kids are so excited, they don't even realize they are learning!"
