Brick and mortar refers to a physical presence of an organization or business in a building or other structure. The term brick-and-mortar business is often used to refer to a company that possesses or leases retail shops, factory production facilities, or warehouses for its operations. More specifically, in the jargon of e-commerce businesses in the 2000s, brick-and-mortar businesses are companies that have a physical presence and offer face-to-face customer experiences. This term is usually use

~~Brick and mortar - Wikipedia~~

A brick is a type of block used to build walls, pavements and other elements in masonry construction. Properly, the term brick denotes a block composed of dried clay, but is now also used informally to denote other chemically cured construction blocks.Bricks can be joined together using mortar, adhesives or by interlocking them. Bricks are produced in numerous classes, types, materials, and...

When it comes to running a store, whether online or brick and mortar, customer service is one of the main aspects. Brick and mortar vape shops are usually small stores owned by an individual, meaning they likely do not have a customer service department to handle customer complaints and product issues. With online stores, customer service is crucial. If a customer has an issue with a product or their shipping, they need an avenue that allows them to be heard and have their problems taken ...
