There are over 2000 registered historic buildings in Shanghai, with hundreds more waiting to be added. Most are pre-War structures and are either Western buildings, or Chinese-style buildings with a distinct Western influence. These include villas, offices, apartment buildings and shikumen (a house of both wood and brick). Structures were selected for this book because of the interesting stories behind them or because they were related to a topical news event.

Modern introduction to theory of coding and decoding with many exercises and examples.

When words speak, silence and worlds intersect, it has to be Listen Girl! A touching tale of a mother-daughter relationship, it is an evergreen classic that delves into the elusive depths of a unique friendship. Superbly translated by Shivanath, and metaphors conveyed almost in its original version, it is a must read for all.
