Doctor Sleep (Shining Book 2), Stephen King 9781444761160 ...

Just the other day, I was saying that sequels are not normally as good as the first book, well, Doctor Sleep completely disproved that theory. It far exceeded The Shining, in my opinion, and has become one of my favourite King novels! King has taken the best parts of The Shining, and carried them into Doctor Sleep.

Doctor Sleep (The Shining Book 2) Kindle Edition. Switch back and forth between reading the Kindle book and listening to the Audible narration. Add narration for a reduced price of \$10.49 after you buy the Kindle book.

An epic war between good and evil, a gory, glorious story that will thrill the millions of hyper-devoted readers of The Shining and wildly satisfy anyone new to the territory of this icon in the King canon. King says he wanted to know what happened to Danny Torrance, the boy at the heart of The Shining, after his terrible experience in the Overlook Hotel. The instantly riveting DOCTOR SLEEP picks up the story of the now middle-aged Dan, working at a hospice in rural New Hampshire, and the very special twelve-year old girl he must save from a tribe of murderous paranormals. On highways across America, a tribe of people called The True Knot travel in search of sustenance. They look harmless - mostly old, lots of polyester, and married to their RVs. But as Dan Torrance knows, and tween Abra Stone learns, The True Knot are quasi-immortal, living off the 'steam' that children with the 'shining' produce when they are slowly tortured to death. Haunted by the inhabitants of the Overlook Hotel where he spent one horrific childhood year, Dan has been drifting for decades, desperate to shed his father's legacy of despair, alcoholism and violence. Finally, he settles in a New Hampshire town, an AA community that sustains him and a job at a nursing home where his remnant 'shining' power provides the crucial final comfort to the dying. Aided by a prescient cat, he becomes 'Doctor Sleep.' Then Dan meets the evanescent Abra Stone, and it is her spectacular gift, the brightest shining ever seen, that reignites Dan's own demons and summons him to a battle for Abra's soul and survival . . . The first print run of DOCTOR SLEEP in paperback has two jacket styles. These are only available while stocks last and if you are ordering online we cannot guarantee which cover you will receive.

Now a major motion picture starring Ewan McGregor! From master storyteller Stephen King, his unforgettable and terrifying sequel to The Shining—an instant #1 New York Times bestseller that is “[a] vivid frightscape” (The New York Times). Years ago, the haunting of the Overlook Hotel nearly broke young Dan Torrance’s sanity, as his paranormal gift known as “the shining” opened a door straight into hell. And even though Dan is all grown up, the ghosts of the Overlook—and his father’s legacy of alcoholism and violence—kept him drifting aimlessly for most of his life. Now, Dan has finally found some order in the chaos by working in a local hospice, earning the nickname “Doctor Sleep” by secretly using his special abilities to comfort the dying and prepare them for the afterlife. But when he unexpectedly meets twelve-year-old Abra Stone—who possesses an even more powerful manifestation of the shining—the two find their lives in sudden jeopardy at the hands of the ageless and murderous nomadic tribe known as the True Knot, reigniting Dan’s own demons and summoning him to battle for this young girl’s soul and survival...

Master of Horror Stephen King's terrifying sequel to The Shining—an instant #1 New York Times bestseller about the now middle-aged Dan Torrance (the boy protagonist of The Shining) and the very special twelve-year-old girl whom he must save from a tribe of murderous paranormals. #1 NEW YORK TIMES BESTSELLER • Before Doctor Sleep, there was The Shining, a classic of modern American horror from the undisputed master, Stephen King. Jack Torrance's new job at the Overlook Hotel is the perfect chance for a fresh start. As the off-season caretaker at the atmospheric old hotel, he'll have plenty of time to spend reconnecting with his family and working on his writing. But as the harsh winter weather sets in, the idyllic location feels ever more remote . . . and more sinister. And the only one to notice the strange and terrible forces gathering around the Overlook is Danny Torrance, a uniquely gifted five-year-old.

The eagerly awaited paperback edition of the No. 1 bestselling hardcover featuring a stand-alone sequel to The Outsider, and three additional irresistible novellas. News people have a saying: 'If it bleeds, it leads'. And a bomb at Albert Macready Middle School is guaranteed to lead any bulletin. Holly Gibney of the Finders Keepers detective agency is working on the case of a missing dog - and on her own need to be more assertive - when she sees the footage on TV. But when she tunes in again, to the late-night report, she realises something is not quite right about the correspondent who was first on the scene. So begins 'If It Bleeds', a stand-alone sequel to the No. 1 bestselling THE OUTSIDER featuring the incomparable Holly on her first solo case - and also the riveting title story in Stephen King's brilliant new collection. Dancing alongside are three more wonderful long stories from this 'formidably versatile author' (The Sunday Times) - 'Mr Harrigan's Phone', 'The Life of Chuck' and 'Rat'. All four display the richness of King's storytelling with grace, humour, horror and breathtaking suspense. A fascinating Author's Note gives us a wonderful insight into the origin of each story and the writer's unparalleled imagination

After an almost fatal car crash, novelist Paul Sheldon finds himself being nursed by a deranged fan who holds him captive.

In this spectacular New York Times bestselling father/son collaboration that "barrels along like a freight train" (Publishers Weekly), Stephen King and Owen King tell the highest of high-stakes stories: what might happen if women disappeared from the world of men? In a future so real and near it might be now, something happens when women go to sleep: they become shrouded in a cocoon-like gauze. If they are awakened, if the gauze wrapping their bodies is disturbed or violated, the women become feral and spectacularly violent. And while they sleep they go to another place, a better place, where harmony prevails and conflict is rare. One woman, the mysterious "Eve Black," is immune to the blessing or curse of the sleeping disease. Is Eve a medical anomaly to be studied? Or is she a demon who must be slain? Abandoned, left to their increasingly primal urges, the men divide into warring factions, some wanted to kill Eve, some to save her. Others exploit the chaos to wreak their own vengeance on new enemies. All turn to violence in a suddenly all-male world. Set in a small Appalachian town whose primary employer is a woman's prison, Sleeping Beauties is a wildly provocative, gloriously dramatic father-son collaboration that feels particularly urgent and relevant today.

It: Chapter Two—now a major motion picture! Stephen King's terrifying, classic #1 New York Times bestseller, "a landmark in American literature" (Chicago Sun-Times)—about seven adults who return to their hometown to confront a nightmare they had first stumbled on as teenagers...an evil without a name: It. Welcome to Derry, Maine. It's a small city, a place as hauntingly familiar as your own hometown. Only in Derry the haunting is real. They were seven teenagers when they first stumbled upon the horror. Now they are grown-up men and women who have gone out into the big world to gain success and happiness. But the promise they made twenty-eight years ago calls them reunite in the same place where, as teenagers, they battled an evil creature that preyed on the city's children. Now, children are being murdered again and their repressed memories of that terrifying summer return as they prepare to once again battle the monster lurking in Derry's sewers. Readers of Stephen King know that Derry, Maine, is a

place with a deep, dark hold on the author. It reappears in many of his books, including Bag of Bones, Hearts in Atlantis, and 11/22/63. But it all starts with It. "Stephen King's most mature work" (St. Petersburg Times), "It will overwhelm you...to be read in a well-lit room only" (Los Angeles Times).
