The Grammar and Language Workbook offers sequential language instruction along with extensive drill and practice in grammar, usage, and mechanics. This important tool includes a handbook as well as vocabulary, spelling, and composition lessons.

The international hit returns with even more wit and insight into the hidden rules that make England English.

Fans of Leigh Bardugo and Holly Black will devour this gorgeously imagined fantasy about a dark forest besieged by monsters—and the wild queen who has sworn to drive them out. A fierce young queen, neither human nor lynx, who fights to protect a forest humans have long abandoned. An exhausted young soldier, last of his name, who searches for the brother who disappeared beneath those trees without a trace. A Golden Dragon, fearsome and vengeful, whose wingbeats haunt their nightmares and their steps. When these three paths cross at the fringes of a war between monsters and men, shapeshifter queen and reluctant hero strike a deal that may finally turn the tide against the rising hordes of darkness. Ren will help Lukasz find his brother...if Lukasz promises to slay the Dragon. But promises are all too easily broken. This Eastern European fantasy debut, inspired by the Polish fairy tale "The Glass Mountain," will take you on a twisting journey full of creeping tension, simmering romance, and haunting folklore—perfect for readers who loved An Enchantment of Ravens and The Hazel Wood.

These twelve dazzling stories from Chimamanda Ngozi Adichie — the Orange Broadband Prize –winning author of Half of a Yellow Sun — are her most intimate works to date. In these stories Adichie turns her penetrating eye to the ties that bind men and women, parents and children, Nigeria and the United States. In "A Private Experience," a medical student hides from a violent riot with a poor Muslim woman, and the young mother at the centre of "Imitation" finds her comfortable life in Philadelphia threatened when she learns that her husband has moved his mistress into their Lagos home. Searing and profound, suffused with beauty, sorrow and longing, this collection is a resounding confirmation of Adichie's prodigious literary powers.

Told with P. D. James's trademark suspense, insightful characterization, and riveting storytelling, The Children of Men is a story of a world with no children and no future. The human race has become infertile, and the last generation to be born is now adult. Civilization itself is crumbling as suicide and despair become commonplace. Oxford historian Theodore Faron, apathetic toward a future without a future, spends most of his time reminiscing. Then he is approached by Julian, a bright, attractive woman who wants him to help get her an audience with his cousin, the powerful Warden of England. She and her band of unlikely revolutionaries may just awaken his desire to live . . . and they may also hold the key to survival for the human race.

A New York Times bestselling novel of international suspense and terror from the author of The Pillars of the Earth, World Without End, and A Column of Fire As Egypt comes closer and closer to developing a nuclear bomb, the Mossad's number one Israeli agent is given an impossible mission: to beat the Arabs in the nuclear arms race by finding and stealing two hundred tons of uranium. The world's balance of power will shift. And the Mossad, the KGB, the Egyptians, and Fedayeen terrorists will play out the final, violent moves in this devastating game where the price of failure is a nuclear holocaust. . . .
