In my experience, good reverse

harem romances are hard to

write. A lot of the time the

romance tends to swallow up the

story and the plot seems to be an

afterthought. This wasn't the case

with Dragon's Guard.

a reverse harem of the most important dragons. It's crazy tempting and honestly not that bad if you really like all these elements even if it's done a little bland. The beginning is good, I love the thief idea and to use it as a way to Dragon's Fire is smushed together version of the whole blood prophecy series, five tiny books make for a one long ass read duh.
