However, these two traditional teacher training areas will not suffice in preparing teachers for the large number of English language learners (ELLs) in K–12 schools in the United States. Today’s teachers have a new responsibility—providing English input for ELLs—which means that all teachers in U.S. schools should know about aspects of English, including grammar, that impede ELLs.

Why K-12 Teachers Need to Know About ESL Grammar Issues

Teaching grammar in an ESL / EFL setting is quite different from teaching grammar to native speakers. This short guide points to important questions that you should ask yourself to prepare to teach grammar in your own classes.
