every chapter illustrate employment law in action, whilst activities test the reader's understanding of the law and its application in the real-world. Together, they enable students to effectively develop their knowledge of current legislation and maximize their learning. In addition, a dedicated chapter on preparing and presenting a case gives the reader a unique opportunity to demonstrate their understanding using a fictional scenario, through which they can gain a greater insight into the challenges faced by those required to prepare and deliver a case before an employment tribunal. As a result, Employment Law 4e is an essential textbook for students seeking to develop their academic and professional skills, as well as foster their understanding

An introduction to the concepts and principles that govern the world of work. Labour Law is an introductory, principles textbook into the world of work in Australia. It offers a concise, thematic structure to understanding the relationships under which people perform work in a contemporary society. Written specifically to suit a one-semester subject, this book aims to develop students' critical understanding of labour law regulation in a social and economic context. It takes the unique approach of explaining the underlying broad themes of labour and employment law. Rather than focusing on the constantly changing technical details of labour law, it provides students with a solid conceptual framework they can take into

Get Free Employment Law An Introduction

practice and apply to future labour laws as they arise. Key Features: A unique focus on the concepts and themes of labour law, rather than the technical and historical detail. Abstracts at the start of each chapter aid student learning by providing a summary of the key messages. Case extracts and reading recommendations support further learning and development. Discussion questions at the end of each chapter encourage critical reflection on the adequacy of labour laws, and proposals for reform.

Employment law is a matter of increasing importance

Get Free Employment Law An Introduction

for managers and human resource professionals. Approaching the subject from a human resources rather than a law perspective, this book aims to inform about the context in which employment law is enacted and promotes understanding of: the application of the law to HRM, the social purposes behind the legislation, and the contextual issues that affect the implementation of the law.

This textbook is aimed at helping those with day-to-day responsibilities for employee relations and human resource management to manage within the law.

Get Free Employment Law An Introduction

Employment Discrimination summarizes the federal laws that prohibit employment discrimination on the basis of race, sex, religion, national origin, age, and disability. Several major statutes, including Title VII of the Civil Rights Act of 1964, the Age Discrimination in Employment Act, Title I of the Americans with Disabilities Act, and the Equal Pay Act, protect American workers from discrimination. In this handy reference guide, Michael Evan Gold discusses complex legislation in lucid, understandable terms. In his discussion of each statute, the author provides such information as: * who is protected by the statute; * who must obey the statute; * principal definitions of discrimination together with numerous examples; *

ways of proving discrimination; * reasonable accommodation; * defenses to discrimination; * retaliation; * remedies; and * procedures for bringing a claim.

"An Introduction to Labor and Employment

Discrimination Law is not an attempt to teach law to undergraduates, but rather to introduce them to legal reasoning. The principal means to this end are cases that present competing arguments (e.g., in majority and dissenting opinions) on major issues. Each case is preceded by the author's introduction and followed by the author's comments and questions. Chapter 1 focuses on labor law in the Nineteenth and early

Twentieth Centuries, i.e., before the National Labor Relations Act of 1935. Chapter 2 surveys modern labor law under the Labor Act, covering such topics as representation and unfair labor practices. Chapter 3 is a brief introduction to the law of employment discrimination under the Equal Pay Act, Title VII of the Civil Rights Act of 1964, and Americans With Disabilities Act. The book is accompanied by an appendix that contains a glossary of legal terms plus excerpts from the Constitution and relevant federal statutes" --Textbook Web page.
