"Advanced Everyday English is designed in very much the same mode as the first book (Practical Everyday English with audio CD) in that all of the examples will contain vocabulary and expressions you

have studied on earlier pages. You will also find many words from the first book, which will give you an opportunity to revise the material. In this second book there is more of what one might call "serious" vocabulary, but there are plenty of phrasal verbs and idioms as well. The book will be of particular benefit to those readers with an advanced level of English who wish to become (or who already are) interpreters, translators or teachers of English, or who simply want to be able to speak and understand English at a very high level. In addition, people who need to read English language journals or converse in English on a daily basis, either in business or for pleasure, will find it very useful."--Publisher's description.

One Word Substitutions is a kind of a reverse dictionary. It intends to help aspirants of various competitive and recruitment examinations as a Valuable Helping and Learning Aid. Moreover, the knowledge of these words will also help the students and learners of English to enhance their writing, speaking and reading skills. One Word Substitutions questions are asked in to evaluate the students' command over English vocabulary. The questions on the basis of this ask the students to answer by writing a single word which can be used appropriately in place of the given description. The book comprises of more than 2100 One Word Substitutes arranged in alphabetical order for easy reference, and Previous Years ' Questions upto 2018 as well. To test proficiency level, structured exercises have been given. Knowledge of one word substitutions will help aspirants not only in scoring well in exams but also in achieving excellent proficiency in English language. The present book is a fairly good collection of one word substitutes. Though it is not an exhaustive list, it is certainly an honest effort to explain highly useful words.
