102 Exploring the language of poems, plays and prose Well, what evidence there is suggests that readers (and hearers too, for that matter) do indeed pick up extremely fine nuances and small linguistic details subconsciously, even if they cannot explicitly describe what they have intuitively reacted to.

~~Exploring the Language of Poems, Plays and Prose~~

An excellent introduction to the language used in poems, plays and prose. It is also a very useful guide for students of English, linguistics or those with just an interest in English literature. The author has set out the book and contents in an easy to use manner. The language is easy to understand and any literary terms clarified.
