This Five Little Speckled Frogs Numbers to 5 Activity Pack is full of resources you can use to support children to learn the number rhyme 'Five Little Speckled Frogs'. In the pack you will find:

"Five Little Speckled Frogs, sitting on a hollow log, eating some most delicious bugs. Yum, yum!" This picture book beautifully illustrates the familiar children's song through watercolor, collage and graphic design. Children and adults can easily read or sing the repetitive text while they count down from five. Watch for patterns by keeping an eye on the frogs and those "most delicious bugs."

The frogs are diving, splashing and having lots of fun. Join them by feeling their soft heads and counting down from five as they disappear, one by one.

Children are able to communicate by signing before they develop the skills necessary for speech. By teaching simple sign language to children from as young as eight months, we can help them to convey their emotions and their needs. When children begin to talk, having sign language to fall back on provides a comforting safety net. Favourite nursery rhymes and songs, with babies and toddlers, signing and miming along. Developed with the support of Lancashire C.C. Early Years and Childcare Service, and SureStart Resources Ltd. as part of their 'Sing, Sign & Rhyme' series, these books encourage actions through mime and BSL signs.

Count and sing along with five frog friends who are hungry and tired.
