L'Opera analizza in modo approfondito, le relazioni intercorrenti fra le varie tipologie di negozi destinatori (trust, atto di destinazione e negozio di affidamento fiduciario) e le disposizioni contenute nella legge fallimentare. In particolare, viene esaminata l'applicazione a tali negozi, ove siano a titolo gratuito, degli istituti previsti dall'art. 64 l. fall. (nonché, per completezza, dall'art.2929-bis c.c.); la loro impugnazione mediante azione revocatoria ordinaria o fallimentare; il loro impiego per addivenire alla chiusura anticipata di una procedura fallimentare; il loro utilizzo per risolvere la crisi dell'impresa (con modalità liquidatorie o di risanamento), avvalendosi, o meno, degli istituti del piano attestato, degli accordi di ristrutturazione e del concordato preventivo. Particolare attenzione viene riservata alla disciplina fiscale. Corredata da un vastissimo apparato giurisprudenziale e bibliografico, nonché da numerosi materiali, l'Opera offre un prezioso strumento di approfondimento, non soltanto per i notai, ma per tutti i professionisti coinvolti, a diverso titolo, nell'iter fallimentare.

China is a major civil law jurisdiction. Since the end of the 1990s great efforts have been made in China to codify the entire civil law. With the major statutes governing contracts, property, torts and conflict of laws promulgated in 1999, 2007, 2009 and 2010 respectively, the most crucial steps have been taken towards the creation of a Chinese Civil code. This book attempts to shed light on both the theoretical and the practical aspects of Chinese civil law, while extensive footnotes and a detailed bibliography and index allow for further study of specific areas and facilitate systematic research. The book addresses the following topics: Part I General, Part II Contracts, Part III Tort Law, Part IV Property Law, Part V Conflict of Laws. Main features: Combination of an overall picture of the specific field of law at issue and thorough analysis of fundamental issues. Combination of black letter law and law in action. Selected bibliography of publications in English, information on English translations of Chinese regulations available in the public domain, lists of the relevant statutes and judicial interpretations, as well as cases.

"Sick of You". Loverboy and his team of killers will stop at nothing to find and kill the mysterious infected child—and when the Pandemica team is betrayed, all of the evidence implicates De'Neesa. As the mutations spread out of control, a very real apocalypse looms over
