"After losing her husband in Iraq, former prosecutor Morgan Dane returns to Scarlet Falls, seeking the comfort of her hometown. Then her neighbor's son, Nick, is accused of murdering Morgan's babysitter. Believing he's innocent, Morgan and Lance Kruger, an ex-cop turned private eye, search for the real killer. Uncovering secrets that rock the community, they become targets" --

Private investigator Lance Kruger was just a boy when his father vanished twenty-three years ago. Since then he's lived under the weight of that disappearance--until his father's car is finally dredged up from the bottom of Grey Lake. It should be a time for closure, except for the skeleton found in the trunk. A missing person case gone cold has become one of murder, and Lance and attorney Morgan Dane must face the deadly past that's risen to the surface. For Lance, the investigation yields troubling questions about a man he thought he knew. But memories can play dirty tricks. For Morgan, uncovering each new lie comes with a disquieting fear that someone is out there watching, because someone is killing every witness tied to this decades-old crime. Morgan and Lance follow in the shadows of a relentless killer and walk right into the cross fire.

Someone out there is hell-bent on sabotaging her defense, targeting Morgan, her partner, and especially Haley. Someone who will stop at nothing--and whose next move will be deadly.
