Tegneserie - graphic novel. Maggie Thrash has spent basically every summer of her fifteen-year-old life at the one-hundred-year-old Camp Bellflower for Girls. She's never kissed a guy, she's into Backstreet Boys in a really deep way, and her long summer days are full of a pleasant, peaceful nothing - until one confounding moment. A split-second of innocent physical contact pulls Maggie into a gut-twisting love for an older, wiser, and most surprising of all (at least to Maggie), female counselor named Erin. But Camp Bellflower is an impossible place for a girl to fall in love with another girl. When it seems as if Erin maybe feels the same way about Maggie, it's too much for both Maggie and Camp Bellflower to handle, let alone to understand

"Maggie Thrash has spent basically every summer of her fifteen-year-old life at the one-hundred-year-old Camp Bellflower for Girls, set deep in the heart of Appalachia. She's from Atlanta, she's never kissed a guy, she's into Backstreet Boys in a really deep way, and her long summer days are full of a pleasant, peaceful nothing . . . until one confounding moment. A split-second of innocent physical contact pulls Maggie into a gut-twisting love for an older, wiser, and most surprising of all (at least to Maggie), female counselor named Erin. But Camp Bellflower is an impossible place for a girl to fall in love with another girl, and Maggie's savant-like proficiency at the camp's rifle range is the only thing keeping her heart from exploding. When it seems as if Erin maybe feels the same way about Maggie, it's too much for both Maggie and Camp Bellflower to handle, let alone to understand"--

From the critically acclaimed author of *Honor Girl*, comes a “sassy, sultry whodunit” (School Library Journal) set in an Atlanta boarding school that’s infused with subversive humor and featuring a cast of bizarre and unforgettable characters. It’s better to know the truth. At least sometimes. Halfway through Friday night’s football game, beautiful cheerleader Brittany Montague—dressed as the giant Winship Wildcat mascot—hurls herself off a bridge into Atlanta’s

surging Chattahoochee River. Just like that, she ' s gone. Eight days later, Benny Flax and Virginia Leeds will be the only ones who know why. Their search for the truth reveals a web of depravity hiding in plain sight at their picture perfect school. When love becomes obsession, how far will someone go to make their twisted fantasies a reality? And who has the power to stop them? A twisty, turny mystery loaded with the perfect punch of satire and heart.

History comes home in a deeply moving, exquisitely illustrated tale of a small house, taken by the Nazis, that harbors a succession of families--and becomes a quiet witness to a tumultuous century. The days went around like a wheel. The sun rose, warming the walls of the house. On the outskirts of Berlin, Germany, a wooden cottage stands on the shore of a lake. Over the course of a hundred years, this little house played host to a kind Jewish doctor and his family, a successful Nazi composer, wartime refugees, and a secret-police informant. During that time, as a world war came and went and the Berlin Wall arose just a stone's throw from the back door, the house filled up with myriad everyday moments. And when that time was over, and the dwelling was empty and derelict, the great-grandson of the man who built the house felt compelled to bring it back to life and listen to the story it had to tell. Illuminated by Britta Teckentrup's magnificent illustrations, Thomas Harding's narration reads like a haunting fairy tale--a lyrical picture-book rendering of the story he first shared in an acclaimed personal history for adult readers.

The world already knows Meg and Charles Wallace Murry, Calvin O'Keefe, and the three Mrs--Who, Whatsit, and Which--the memorable and wonderful characters who fight off a dark force and save our universe in the Newbery award-winning classic *A Wrinkle in Time*. But in 50 years of publication, the book has never been illustrated. Now, Hope Larson takes the classic story to a new level with her vividly imagined interpretations of tessering and favorite characters like the Happy Medium and Aunt Beast. Perfect for old fans and

from two creators with true literary clout. Cousins Mariko and Jillian Tamaki, the team behind *Skim*, have collaborated on this gorgeous, heartbreaking, and ultimately hopeful story about a girl on the cusp of childhood - a story of renewal and revelation. This title has Common Core connections.

An anthology of illustrated narratives about the prison and the lives it changed forever. In January 2002, the United States sent a group of Muslim men they suspected of terrorism to a prison in Guantánamo Bay. They were the first of roughly 780 prisoners who would be held there—and forty inmates still remain. Eighteen years later, very few of them have been ever charged with a crime. In *Guantánamo Voices*, journalist Sarah Mirk and her team of diverse, talented graphic novel artists tell the stories of ten people whose lives have been shaped and affected by the prison, including former prisoners, lawyers, social workers, and service members. This collection of illustrated interviews explores the history of Guantánamo and the world post-9/11, presenting this complicated partisan issue through a new lens. “ These stories are shocking, essential, haunting, thought-provoking. This book should be required reading for all earthlings. ” —The Iowa Review “ This anthology disturbs and illuminates in equal measure. ” —Publishers Weekly “ Editor Mirk presents an extraordinary chronicle of the notorious prison, featuring first-person accounts by prisoners, guards, and other constituents that demonstrate the facility ’ s cruel reputation. . . . An eye-opening, damning indictment of one of America ’ s worst trespasses that continues to this day. ” —Kirkus Reviews

Award-winning author and artist Mike Curato draws on his own experiences in *Flamer*, his debut graphic novel, telling a difficult story with humor, compassion, and love. "This book will save lives."

or saying something dumb or both. I hate that word. Gay. It makes me feel . . . unsafe. It's the summer between middle school and high school, and Aiden Navarro is away at camp. Everyone's going through changes—but for Aiden, the stakes feel higher. As he navigates friendships, deals with bullies, and spends time with Elias (a boy he can't stop thinking about), he finds himself on a path of self-discovery and acceptance.
