Jamaica Inn is a novel by the English writer Daphne du Maurier, first published in 1936. It was later made into a film, also called Jamaica Inn, directed by Alfred Hitchcock. It is a period piece set in Cornwall in 1820. It was inspired by du Maurier's 1930 stay at the real Jamaica Inn, which still exists as a pub in the middle of Bodmin Moor.

I knew of the real Jamaica Inn, a pub in the middle of Bodmin Moor. But the grim truth is that Daphne du Maurier was not writing an account about either pirates or ordinary smugglers, but a highly-coloured bloodthirsty tale about bands of men who existed around 1815, according to the novel 20 or 30 years after Cornish pirates had been eradica

~~Jamaica Inn by Daphne du Maurier — Goodreads~~

Daphne Du Maurier is a profoundly top-class writer of prose, whom the 21st century seems to have forgotten at the moment. I thought this would be all treasure chests, pieces-of-eight and wooden peg-legs, but no. It is a terrifying, nerve biting story with moments of fear and horror, risk and revelation. A class apart in literary fiction.

The fame of Jamaica Inn undoubtedly springs from the novel Daphne du Maurier wrote and the story of how she came to write it is almost as good as the novel itself. In November 1930 Daphne and her friend Foy Quiller Couch went to stay at Jamaica Inn overnight, while on a riding expedition on Bodmin Moor.

After the death of her mother, Mary Yellan crosses the windswept Cornish moors to Jamaica Inn, the home of her Aunt Patience. There she finds Patience a changed woman, downtrodden by her domineering, vicious husband Joss Merlyn. The inn is a front for a lawless gang of criminals, and Mary is unwillingly dragged into their dangerous world of smuggling and murder. Before long she will be forced to cross her own moral line to save herself.

In the bitter November wind, Mary Yellan crosses Bodmin Moor to Jamaica Inn. Her mother's dying wish was that she take refuge there, with her Aunt Patience. But when Mary arrives, the warning of the coachman echoes in her mind: Jamaica Inn has a desolate power, and behind its crumbling walls Patience is a changed woman, cowering before her brooding, violent husband. When Mary discovers the inn's dark secrets, the truth is more terrifying than anything she could possibly imagine, and she is forced to collude in her uncle's murderous schemes. Against her will, she finds herself powerfully attracted to her uncle's brother, a man she dares not trust.

"A fine romantic tale...rich in suspense and surprise." --New York Times Book Review On a bitter November evening, young Mary Yellan journeys across the rainswept moors to Jamaica Inn in honor of her mother's dying request. When she arrives, the warning of the coachman begins to echo in her memory, for her aunt Patience cowers before hulking Uncle Joss Merlyn. Terrified of the inn's brooding power, Mary gradually finds herself ensnared in the dark schemes being enacted behind its crumbling walls -- and tempted to love a man she dares not trust.

"This novel catches fire." --New York Times She set men's hearts on fire and scandalized a country. An ambitious, stunning, and seductive young woman, Mary Anne finds the single most rewarding way to rise above her station: she will become the mistress to a royal duke. In doing so, she provokes a scandal that rocks Regency England. A vivid portrait of sex, ambition, and corruption, Mary Anne is set during the Napoleonic Wars and based on Daphne du Maurier's own great-great-grandmother.

'There was a smell in the air of tar and rope and rusted chain, a smell of tidal water. Down harbour, around the point, was the open sea. Here was the freedom I desired, long sought-for, not yet known. Freedom to write, to walk, to wander, freedom to climb hills, to pull a boat, to be alone . . . I for this, and this for me.' Daphne du Maurier lived in Cornwall for most of her life. Its rugged coastline, wild terrain and tumultuous weather inspired her imagination, and many of her works are set there, including Rebecca, Jamaica Inn and Frenchman's Creek. In Vanishing Cornwall she celebrates the land she loved, exploring its legends, its history and its people, eloquently making a powerful plea for Cornwall's preservation.

"An intimate view of a creative personality...as richly evocative as any of her novels." --Los Angeles Times Both in her novels and her memoirs, Daphne du Maurier revealed an ardent desire to explore her family's history. In *Myself When Young*, based on diaries she kept between 1920 and 1932, du Maurier probes her own past, beginning with her earliest memories and encompassing the publication of her first book and her marriage. Often painfully honest,

she recounts her difficult relationship with her father, her education in Paris, her early love affairs, her antipathy towards London life, and her desperate ambition to succeed as a writer. The resulting self-portrait is of a complex, utterly captivating young woman.
