programming as a way of thinking. This is a commendable teaching approach and to be hone

Lauren Ipsum by Carlos Bueno - Goodreads

MassDosage writes As the full title to Lauren Ipsum: A story about Computer Science and Other Improbable Things indicates, this is a book about Computer Science but what's surprising about it is that it manages to be about Computer Science without actually ever directly referring to the subject or even to computers at all. It is in fact a fictional story about a young girl called Lauren who gets lost after wandering into a forest near her house after an argument with her mother.
