Lumberjanes Vol. 1 eBook: Stevenson, Noelle ... - Amazon.co.uk

Lumberjanes #1 was an enticing start to what looks like might be a fun story about some rebellious girls who are away at summer camp. It mixes a bit of supernatural mystery with adventure and brave chicks. Unfortunately, it was a bit disappointing that it was so short at just 27 pages. Just as I was getting a feel for everything, it was over.

Lumberjanes Series by Noelle Stevenson - Goodreads  
This volume is only the first half of the overarching  
mystery of the first eight issues, but it still feels like a  
complete story, comic-wise. It introduces the  
characters and the world, the mystery they want to  
solve, and it ends on a cliffhanger. Do I wish all 8  
issues were in here, so people could have a better  
chance of catching up?
