### ~~Car Stereos & Head Units for Mini Cooper for sale | eBay~~

The car has been produced '05 and it has only 18000 km. I am the second owner. So, the previous owner has bought the car with this Boost radio, and this radio must have been removed in order to put som non-original radio - I am sure, because when I pulled out the radio I saw some non original cables (for extra speakers I assume), and all the other cables have been cut and the conected
