Used alongside the students' text, Higher National Computing 2nd edition, this pack offers a complete suite of lecturer resource material and photocopiable handouts for the compulsory core units of the new BTEC Higher Nationals in Computing and IT, including the four core units for HNC, the two additional core units required at HND, and the Core Specialist Unit 'Quality Systems', common to both certificate and diploma level. The authors provide all the resources needed by a busy lecturer, as well as a bank of student-centred practical work and revision material, which will enable students to gain the skills, knowledge and understanding they require. Also available as a web download for adopters, this pack will save a course team many hours' work preparing handouts and assignments, and is freely photocopiable within the purchasing institution. The pack includes: * Exercises to support and develop work in the
