A biography of Robbie Williams that sets out to tell the definitive story of his phenomenal journey to the top. Covering his childhood in Stoke-on-Trent, his boy band years with Take That, his battle with drink, drugs and his sexuality, his often-troubled love life and how he continues to be tormented by the demons that have shaped and driven him, to his current position as the undisputed King of Pop with a record-breaking pound]80 million deal with EMI, the biggest ever in British recording history. Based on exclusive interviews with those closest to Robbie and with previously unpublished photos from the family archive, this is a must-have book for all Robbie fans worldwide.

Take That were the original British boy band. They sold out arenas in less time than it took to play one of their chart-topping singles. Gary Barlow was the band's gifted front man who not only wrote hits such as 'Pray' and 'A Million Love Songs' but sang them too. Then the band quit at the very height of their fame. Here Gary reveals for the first time his ride on the rollercoaster of fame, the truth behind the rumours of the

Read Online Reveal Robbie Williams

band's feuding and his fall-out with Robbie, and how he sank into depression only to rise again in one of pop's greatest comebacks: the record-breaking Take That reunion tour. Candid, confident and down-to-earth, Gary is definitely back for good.

The Pet Shop Boys are one of the most successful and unusual bands of the last five decades. They are the pop duo that proves pop music can be modern, ecstatic and playful as well as serious and intelligent, winning them legions of devoted fans throughout the world. In 1989, Neil Tennant and Chris Lowe invited journalist Chris Heath and photographer Lawrence Watson to shadow them around Hong Kong, Japan and the UK as they embarked on their first-ever tour. This book is the result: an immersive portrait giving access into the duo 's inner sanctum, showing them in brilliantly observed detail as they work, relax, gossip, argue and occasionally try to make sense of what they do. ' As clear a picture as could be wished for of the seething mass of elegant contradictions that is the Pet Shop Boys ' on-the-road experience. ' Independent on Sunday ' This superbly reported book transcends tired rock journalism clich é . It ' s about what it means to be a pop star, what it means to be a Pet Shop Boy... how to love pop, hold it to a higher standard and subvert its expectations. ' Laura Snapes

'This is the book I wished I'd had to turn to.' Gary Barlow Gary Barlow is one of the most successful British musicians and songwriters of all time, but fifteen years ago, as he himself admits, he hit rock bottom - he was out of shape, out of work, depressed. Food for him had become an addiction, a means not only of comfort but almost of self-medication as he grappled with the cruel twists of fate of musical stardom. In 2003, as he struggled with the disappointment of an underperforming solo career alongside the tireless media taunts; Gary turned to food. Relentlessly. In the space of nine years he had been on 20 diets in the hopes of a

Read Online Reveal Robbie Williams

resolution to all his woes. After asking the doctor what the 'cure' for obesity was, it sunk in that he was the only one who could take control of his health. Gary describes this realisation and the task that lay ahead - 'it was like being at the foot of a massive mountain'. So how did he go from an obese, out-of-work and depressed pop icon, to a superstar of music and TV and an accomplished musical songwriter and producer who is full of vitality, fitter, happier and more successful than ever before. What happened? In his extraordinarily honest memoir *A Better Me*, Gary tells of his journey back to professional success and mental and physical health. From reforming Take That to critical and commercial acclaim and reigniting his own legendary songwriting career; to overcoming his weight problems and crippling obsession with food; to TV judging panel stardom on *The X Factor* and *Let It Shine* and at last finding balance in both his personal and professional life. *A Better Me* is a remarkably frank memoir of Gary's life as he battled with weight, stress, fitness and depression, and staged one of the most thrilling professional comebacks in years. In his warm, witty and authentic voice, he recounts his story with compelling insight, captivating honesty and a human side that people rarely see. Here is one of the UK's most beloved pop stars open, honest and raw and as we've never seen him before.

The intimate - and surprising - autobiography of Britain's most adored band Prepare to meet the real McFly ... In 2003, Tom Fletcher, Danny Jones, Harry Judd and Dougie Poynter came together and formed what would become one of the most popular and successful bands in the UK. Just teenagers at the time, they were catapulted into the limelight and had to adapt quickly to their new-found fame — and everything that came with it. Now, at last, they have decided to tell their story, in full and revealing detail. Speaking with candour and their trademark humour, Tom, Danny, Harry and Dougie share both the stories of their own lives and that of McFly. They give their personal insights into their contrasting childhoods, the individual paths that

Read Online Reveal Robbie Williams

led them to the band, the struggles they have each overcome, their love lives and, of course, their music. Packed with previously untold stories, a lot of laughter and the occasional tear, *Unsaid Things* offers a privileged look into the lives of four guys who started out as bandmates and became best friends. Their unique camaraderie radiates from every page and by the end of the book, you 'll know them almost as well as they know each other ... Tom Fletcher, Danny Jones, Harry Judd and Dougie Poynter have been together as McFly since 2003. They hold the record for being the youngest band to have a debut No 1 album in the UK. Their hits include: 'Five Colours in Her Hair', 'All About You', 'Please, Please' and 'Shine a Light'. They are one of the biggest bands in the UK.

This book has become the definitive unauthorized biography of Robbie Williams, and provides a 'warts and all' account of his phenomenal journey to the top. Covering his childhood in Stoke-on-Trent, his boy band years with Take That (and how he got back with them in 2010), his battle with drink and drugs, his often troubled love life and how he beat his demons and settled down to become a family man. All of it based on exclusive interviews with those closest to Robbie and with previously unpublished photos from the family archive, this is a must-have book for all Robbie fans. This updated edition of the bestseller includes coverage of Rudebox, Robbie's 2009 comeback album *Reality Killed the Video Star* as well as his new number one *Take The Crown*, the announcement of his huge 2013 tour, and of course his marriage to Ayda Field and the birth of their daughter.

Denby Dale and Upper Denby Unknown and Unseen is the last of this ever-popular series of books and includes around 200 previously unpublished photographs of the area. Also included are the stories of three local families, namely the Gaunts, Turtons and Seniors who have a long and fascinating history in the

Read Online Reveal Robbie Williams

area. Further details include the stories and competition entries for the Denby Dale and Upper Denby brass bands and the men who led them. The story of Upper Denby club is told for the first time, and a historical miscellany includes information dating from 1343 up until 1812. Furthermore, the previously forgotten story of the Denby Dale branch of the British Legion is also told for the first time, using its archive which was luckily saved from destruction when the Denby Dale band hut was demolished in the 1970s. The minutes include details from the Second World War and evoke a vivid picture of the time, with blackouts, rationing, the home guard and the deadly consequences of the war for the local soldiers. This book is essential reading for anyone researching family connections in the area, but will also appeal to all those with links to Denby Dale and Upper Denby, as well as nostalgia lovers of the district in general.

With his easy charm, down-to-earth personality and natural good looks, it's no wonder that Peter Andre has legions of fans across the globe. Whilst once best known for producing chart-topping pop songs, selling millions of records worldwide and performing sell-out venues all over the world, in recent years he has shown himself to be a man of diverse talents. From presenting television shows to mastering ballroom dancing on *Strictly Come Dancing*; from launching a successful coffee shop business to the work he does for charities close to his heart. In this warm and intimate book, Peter invites you to take a look behind the scenes of his incredible life. He'll talk about the highs and lows he has experienced: how he met and fell in love with his wife, Emily; his joy at the arrival of his daughter Amelia; the laughs and fun he has with his two older children, Junior and Princess and how his music has evolved to reflect a new period in his life. He'll also touch on the worst time of his life, when he lost his brother, Andrew, to cancer, the unbreakable bond he has with his family and what the future holds for him. Packed with gorgeous colour photographs - many of them never seen before - this is a unique and very personal insight into the world of one of our best-loved

Read Online Reveal Robbie Williams

celebrities.

Robert Wyatt started out as the drummer and singer for Soft Machine, who shared a residency at Middle Earth with Pink Floyd and toured America with the Jimi Hendrix Experience. He brought a jazz mindset to the 1960 ' s rock scene, having honed his drumming skills in a shed at the end of Robert Graves ' garden in Mallorca, Spain. Wyatt's life took an abrupt turn in 1973, when he fell from a fourth-floor window at a party and was paralyzed from the waist down. He reinvented himself as a singer and composer with the extraordinary album *Rock Bottom*, which he followed with an idiosyncratic string of records that uniquely combine the personal and political. Along the way, Robert has worked with the likes of Brian Eno, Bjork, Jerry Dammers, Charlie Haden, David Gilmour, Paul Weller and Hot Chip. Marcus O ' Dair has talked to all of them—indeed anyone who has shaped, or been shaped by Wyatt over five decades. *Different Every Time* is the first biography of Robert Wyatt, and it was written with his full participation. It includes illustrations by Alfreda Bengé and photographs from Robert ' s personal archive.
