The Routledge Reader on the Sociology of Music offers the first collection of source readings and new essays on the latest thinking in the sociology of music. Interest in music sociology has increased dramatically over the past decade, yet there is no anthology of essential and introductory readings. The volume includes a comprehensive survey of the field's history, current state and future research directions. It offers six source readings, thirteen popular contemporary essays, and sixteen fresh, new contributions, along with an extended Introduction by the editors. The Routledge Reader on the Sociology of Music represents a broad reference work that will be a resource for the current generation of sociologically inclined musicologists and musically inclined sociologists, whether researchers, teachers or students.

Fans and detractors of popular music tend to agree on one thing: popular music is a bellwether of an individual's political and cultural values. In the United States, for example, one cannot think of the counterculture apart from its music. For that reason, in virtually every country in the world, some group identifies popular music as a source of potential danger and wants to regulate it. Policing Pop looks into the many ways in which popular music and artists around the world are subjected to censorship, ranging from state control and repression to the efforts of special interest or religious groups to limit expression. The essays collected here focus on the forms of censorship as well as specific instances of how the state and other agencies

have attempted to restrict the types of music produced, recorded and performed within a culture. Several show how even unsuccessful attempts to exert the power of the state can cause artists to self-censor. Others point to material that taxes even the most liberal defenders of free speech. Taken together, these essays demonstrate that censoring agents target popular music all over the world, and they raise questions about how artists and the public can resist the narrowing of cultural expression.

Includes U.S. city, county, and state maps, plus maps and statistics on communications, transportation, economics, and population

"Soldiers of the Freedom Rock: Stories of Guthrie County Iowa's Combat Veterans" tells the historic tales of 26 veterans from rural, south central Iowa. The battlefield dramas span from World War II through the most current wars in Afghanistan and Iraq, including compelling stories in the air, on the ground, and at sea. Author Brick R. Imerman, a retired Navy F/A-18 Hornet squadron commander, was encouraged by local readers to write this book after penning a six-month veterans series, entitled "The Freedom Rock Series," which appeared in the local newspaper. Imerman's stories of local combat heroism were used as inspiration by nationally-renowned artist Ray "Bubba" Sorensen for his artwork on the Guthrie County Freedom Rock Veterans' Memorial, which was painted in Guthrie Center, Iowa, during the summer of 2014. "Soldiers of the Freedom Rock" intertwines the tales of combat heroism with the painting of the Freedom Rock to create a moving tribute, not only for the veterans described in the book, but for veterans and freedom lovers everywhere. Full color with over 100 historic photographs, "Soldiers of the Freedom Rock" documents one small corner of the larger mosaic of combat heroism from our nation's military. Included in the book: firsthand accounts from airmen in B-24 and B-17 bombers who braved the skies above Nazi controlled Europe, some who gave their lives, and others who were shot down, but lived to tell about it; the story of a soldier who survived both his Sherman tank sinking off Omaha Beach on D-Day and blazing tank battles in the Ardennes, only to be killed mere weeks before war's end; a sailor's story of bravery firing from a tiny gun mount on the destroyer USS Hoel into the giant Japanese battleship Yamato before perishing beneath the waves at the historic Battle off Samar; the daring tale of a 15-year-old British girl who was nearly killed the first day Nazi bombers attacked London, who went on to serve her nation, ultimately becoming a U.S. citizen; and dozens of other riveting stories spanning through Korea, Vietnam, Iraq, and Afghanistan. Including the stories of eight officers and 18 enlisted personnel - ranking from Private to Major General - from the Navy, Marine Corps, Army, and Air Force, "Soldiers of the Freedom Rock" has a story for every veteran, male or female.

This Torah-based book will help clarify your understanding of the Messiah's Truth from a Hebraic perspective.

An ancient wizard possesses a young boy after a millennium of imprisonment in a magic wand. He emerges from the child in the face of danger and discovers Fiana, his new bride from the past, has somehow survived time and become something evil.

Productivity Secrets: More time. More money. More freedom. No matter what kind of job you'll be happier, healthier and wealthier if you are more productive! You can choose today to become more productive, get unstuck and have everything you have ever wanted! You can make it happen! Here is just a sample of what you will learn: Finding your 20% goals Increasing your income 2-3x Having fun along the way Relieving stress with better organization Reducing harmful distractions Self-discipline secrets Finding your true motivation And much, much more! I usually only sell this type of coaching to my high level coaching clients but my goal was to write a book that will help over 1 million people have more money, more time and more freedom! So now you can get my "productivity secrets" for just a fraction of the cost. Get started today!

Christ's death on the cross offers victory over bitterness, addictions, occult bondage, and debilitating strongholds. Encounter! Receive Christ's Freedom will show you how to apply Christ's victory to your own life. This book is an excellent resource for someone who is bound by sinful habits or who simply needs to live an abundant life. It explains clearly how to receive the fullness of the Holy Spirit and then to walk in the Spirit's power. It's a great resource to use individually or in a retreat setting. In the back of the book, there's a coach's section to help guide someone else through the contents of this book. Topics include: Repentance and forgiveness; The power of the cross over sin, Satan, and demonic strongholds; How to receive inner healing; Freedom from the fear of death; How to be filled with the Spirit.
