Fauji Heart is a captivating set of short stories, where each one has a unique flavor and yet together they build up a whole and nuanced picture of the Indian soldier. One where he is not a unidimensional stereotype of a brave-heart sworn to protect the nation, but a real, breathing, complex human being living an undoubtedly odd but fulfilling life. This collection offers a rare insight into army life that is sometimes mundane...sometimes fantastic, sometimes humorous...sometimes tragic, sometimes lonely...but always filled with adventure. 'Civilian' readers will enjoy this experience of engaging with the fauji world in such a real manner...beyond the tragic headlines or the usual patriotic rhetoric. Though most of the stories are set in the 70's, 80's and 90's they will undoubtedly resonate with old faujis and the new generation alike.

These official Saab manuals are the only factory-authorized, comprehensive, single source of service information and specifications available. Whether you're a professional technician or a do-it-yourselfer, these manuals will help you understand, care for, and repair your Saab. Everything from fundamental automotive concepts and maintenance procedures to complex electrical system troubleshooting and complete engine overhaul is clearly explained. Critical updates and information from the Saab Service Information Manual, the Parts & Service Information System and Saab Service Training have been included, as well as fast, proven repair procedures and tips used by Saab technicians.
