Castle and Cathedral by David Macaulay

Offers the story of Saladin who, devastated by tales of past conquest, worked to unite his divided people in order to gain strength and put an end to the invasions from the people from western lands.

This biography of the 12th century Islamic military leader provides a fascinating view of the Crusades and the Medieval Muslim world. Saladin was a Kurdish military leader who led the fight against the Crusades and rose to become first Sultan of Egypt and Syria. He united warring Muslim lands, reconquered the bulk of Crusader states and faced King Richard I of England in one of the most famous confrontations in medieval warfare. His extraordinary character and career are the key to understanding the Battle of Hattin, the fall of Jerusalem and the failure of the Third Crusade. Historian Geoffrey Hindley's study of Saladin's life and times presents a nuanced portrait of this remarkable man who dominated the Middle East in his day. It also offers fascinating insight into the politics and culture of the 12th century Muslim world.

"Whether depicting erotically charged harem intrigue or siege warfare, The Book of Saladin is an entertaining feat of revisionist storytelling" -The Sunday Times As victories mount and accolades are showered upon the great warrior Saladin, he is nearly deified. He conquers the infidel Franj, or Crusaders, and reclaims the holy city of Jerusalem while remaining true to his senses of honor, justice, and humor. When it comes time for Saladin to record his own story, he turns to a Jewish scribe. In the interlinking stories of The Book of Saladin, the mighty sultan deftly navigates the deep chasms separating Muslims, Christians, and Jews.

Acclaimed author James Reston, Jr.'s Warriors of God is the rich and engaging account of the Third Crusade (1187-1192), a conflict that would shape world history for centuries and which can still be felt in the Middle East and throughout the world today. James Reston, Jr. offers a gripping narrative of the epic battle that left Jerusalem in Muslim hands until the twentieth century, bringing an objective perspective to the gallantry, greed, and religious fervor that fueled the bloody clash between Christians and Muslims. As he recounts this rousing story, Reston brings to life the two legendary figures who led their armies against each other. He offers compelling portraits of Saladin, the wise and highly cultured leader who created a united empire, and Richard the Lionheart, the romantic personification of chivalry who emerges here in his full complexity and contradictions. From its riveting scenes of blood-soaked battles to its pageant of fascinating, larger-than-life characters, Warriors of God is essential history, history that helps us understand today's world.

A tale of passion and pursuit, Fortune is the story of Don Spargo, a modern explorer who finds a sunken treasure ship off the West Australian coast and becomes a folk hero, a lover, and a hunted and haunted man. Suspenseful, satirical and deeply moving, this novel challenges the nature of reality and legend in those scenes of modern conflict - from the media to art, from politics to crime - that have obsessed the Western individual since World War II.

The perfect resource for those wishing to learn more about the Muslim culture, its people and its teachings, Fifty Key Figures in Islam explores the lives and thoughts of fifty influential individuals in Islam and surveys a heritage that spans 1,500 years. Covering key figures such as the Prophet Muhammad, Suleiman 'the Magnificent' and El-Hajj Malik El-Shabazz (Malcolm X), the entry for each figure includes: biographical details a presentation and analysis of their main ideas an account of their impact and influence within and, if appropriate, beyond the Islamic tradition list of major works and additional reading. Fully cross-referenced for ease of use, this clearly presented work is ideal for those interested in or studying the area, and could not have come at a more fascinating time in history for Islam.

This book is an invaluable resource for enabling teachers, religious educators, and families to learn about religious diversity themselves and to teach children about both their own religion as well as the beliefs of others. The traditions featured include indigenous beliefs throughout the world, Native American spirituality, Hinduism, Buddhism, Judaism, Christianity (Orthodoxy, Catholicism and Protestantism), Islam, Sikhism, and other beliefs such as Bahá'í, Unitarian Universalism, Humanism, and Atheism. Each chapter highlights a specific religion or spiritual tradition with a brief discussion about major beliefs, misconceptions, sacred texts, and holy days or celebrations. This summary of each tradition is followed by extensive annotated recommendations for children's and adolescent literature as well as suggested teaching strategies. The recommended literature includes informational books, traditional religious stories, and fiction with religious themes. Teachers, religious educators, and family members will find the literature from these genres to be invaluable tools for bridging the religious experience of the child with that of the global society in which they live.

Johannes Chrysostomus Wolfgang Gottlieb Mozart was only three years old—not much bigger than his name—on the day his life changed forever. So begins this vivid biography about one of the most legendary prodigies in history. Award-winning author and illustrator Diane Stanley engagingly tells the story of a brilliant boy who grew up to be a complex and often troubled young man—a man who composed some of the most beautiful music of all time. With stunning and expressive illustrations, she portrays Mozart's turbulent life as a marionette show, inspired by the famous Salzburg Marionette Theatre, using an innovative artistic approach to present the life of a renowned musical genius. In concise and lyrical prose, Stanley presents an honest and sympathetic portrait of the boyhood and tragically short adulthood of a composer whose music has lived on for more than two hundred years.

European and Arab versions of the Crusades have little in common. For Arabs, the twelfth and thirteenth centuries were years of strenuous efforts to repel a brutal and destructive invasion by barbarian hordes. Under Saladin, an unstoppable Muslim army inspired by prophets and poets finally succeeded in destroying the most powerful Crusader kingdoms. The memory of this greatest and most enduring victory ever won by a non-European society against the West still lives in the minds of millions of Arabs today. Amin Maalouf has sifted through the works of a score of contemporary Arab chroniclers of the Crusades, eyewitnesses and often participants in the events. He retells their stories in their own vivacious style, giving us a vivid portrait of a society rent by internal conflicts and shaken by a traumatic encounter with an alien culture. He retraces two critical centuries of Middle Eastern history, and offers fascinating insights into some of the forces that shape Arab and Islamic consciousness today. 'Well-researched and highly readable.' Guardian 'A useful and important analysis adding much to existing western histories ... worth recommending to George Bush.' London Review of Books 'Maalouf tells an inspiring story ... very readable ... warmly

recommended.' Times Literary Supplement 'A wide readership should enjoy this vivid narrative of stirring events.' The Bookseller 'Very well done indeed ... Should be put in the hands of anyone who asks what lies behind the Middle East's present conflicts.' Middle East International
