Prince Prospero's intentions and preparations did not stand a chance when death decided to take him on.

He knows he is good at cricket—if not as good as his older brother, Radha. He knows that he fears and resents his domineering and cricket-obsessed father, admires his brilliantly talented sibling, and is fascinated by curious scientific facts and the world of CSI. But there are many things, about himself and about the world, that he doesn't know. Sometimes it even seems as though everyone has a clear idea of who Manju should be, except Manju himself.
