Instead, **The Concise Guide to Wine and Blind Tasting** tilts more to the "Guide to Wine" side offering a (very well done) overview of the major regions and wines of the world. Chapter 4 does walk you through the blind tasting process and the Appendix gives a "crib sheet" of common flavors and structure which is very useful.

All the major wine styles and regions are covered in the new third edition of this clear and concise primer, together with notes on the history of wine, winemaking, and blind tasting.

All the major wine styles and regions are covered in the new edition of thisclear and concise primer, together with notes on the history of wine, winemaking, and blind tasting."

This clear and concise primer provides detailed coverage of all the major wine styles and regions, together with introductory notes on the history of wine, viticulture, winemaking, and blind tasting. It seeks throughout to examine in what ways a particular wine is unique and different from other, similar wines. For example, why and in what ways is Pauillac, in Bordeaux, different from Pomerol, also in Bordeaux? Why and in what ways is Mosel Riesling different from Riesling from the Rheingau, or the Nahe, or Alsace, Austria, or Australia? Written by former members of the Oxford University Blind Tasting Society, this book is dedicated to all wine lovers, and should prove particularly useful to competitive blind tasters, higher level students, winemakers, wine traders, and sommeliers.

Anyone who's ever worked in the food and beverage industry has consulted Grossman's Guide. We're pleased to introduce this completely revised and updated edition of the classic work in our popular Cyclopeda pocket-reference format. Packed with charts and illustrations, this fresh new look at the best-selling reference book provides recipes for 75 of the world's most requested cocktails, vintage information for French, Italian, German, and American wines, and background on the production of distilled spirits. It's the consummate international guide to fine beverages. Harriet Lembeck, food writer and editor, was a protégé of the late Harold J. Grossman, who was a leading authority on alcoholic beverages.

A field guide to the new world of wine, featuring an overview of today's most exciting regions and easy-to-use advice on properly tasting wine, discovering under-the-radar gems, and finding the perfect bottle for any occasion. Highlighting wines from old world regions such as France, Italy, Spain, and Germany to new world wines from the United States, Australia, New Zealand, Chile, and more. The Essential Wine Book tells you what to drink and why. Beginning with foundational information about how wine is made, how to taste it, and how to understand terroir, wine expert and journalist Zachary Sussman then gives an overview of the most important and interesting wine regions today—both established and still emerging. For instance, the great French wines of Burgundy and Champagne are already well known, but for affordable bottles you can easily find at your local wine shop, Sussman profiles up-and-coming producers in other regions, including the Jura, Languedoc-Roussillon, and more. In a similar vein, California's Napa Valley has for decades been the source of America's most prestigious wines, but here you'll learn about other areas of the state that are gaining recognition, from Lodi to the Santa Rita Hills. You'll find user-friendly "just the highlights" notes for each region, as well as recommendations for producers and particular bottles to seek out. Diving deep into what makes each region essential and unique, this comprehensive guides gives new wine drinkers and enthusiasts alike an inside track on modern wine culture.

Describes the wines produced in each region of France, discusses grape varieties, and explains the French control system

The world of wine, right at your fingertips Even growing up in a family that's been in the wine business for five generations, Madelyne Meyer knows what it's like to struggle to understand even the basics about wine. In *Welcome to Wine*, she pairs her hard-won expert knowledge with 200 witty, whimsical illustrations that make all the essentials crystal clear: The art of wine tasting Glass shape and serving temperature made simple Flavor profiles and grape varieties Foolproof food pairings How and where wines are made "Terroir" and more terms demystified Suggested wines for gift-giving, date night, and more.

**JAMES BEARD AWARD WINNER** The expanded wine guide from the creators of Wine Folly, packed with new information for devotees and newbies alike. Wine Folly became a sensation for its inventive, easy-to-digest approach to learning about wine. Now in a new, expanded hardcover edition, *Wine Folly: Magnum Edition* is the perfect guide for anyone looking to take his or her wine knowledge to the next level. *Wine Folly: Magnum Edition* includes: • more than 100 grapes and wines color-coded by style so you can easily find new wines you'll love; • a wine region explorer with detailed maps of the top wine regions, as well as up-and-coming areas such as Greece and Hungary; • wine labeling and classification 101 for wine countries such as France, Italy, Spain, Germany, and Austria; • an expanded food and wine pairing section; • a primer on acidity and tannin—so you can taste wine like a pro; • more essential tips to help you cut through the complexity of the wine world and become an expert. *Wine Folly: Magnum Edition* is the must-have book for the millions of fans of *Wine Folly* and for any budding oenophile who wants to boost his or her wine knowledge in a practical and fun way. It's the ultimate gift for any wine lover.
