Bledsoe explains how playing the role of the subservient, fawning black to powerful white men has enabled him to maintain his own position of power and authority over the college. He mockingly lapses into the dialect of uneducated Southern blacks, saying "I’s" instead of "I am."

Invisible Man is a milestone in American literature, a book that has continued to engage readers since its appearance in 1952. A first novel by an unknown writer, it remained on the bestseller list for sixteen weeks, won the National Book Award for fiction, and established Ralph Ellison as one of the key writers of the century. The nameless narrator of the novel describes growing up in a black community in the South, attending a Negro college from which he is expelled, moving to New York and becoming the chief spokesman of the Harlem branch of "the Brotherhood", and retreating amid violence and confusion to the basement lair of the Invisible Man he imagines himself to be. The book is a passionate and witty tour de force of style, strongly influenced by T.S. Eliot's The Waste Land, Joyce, and Dostoevsky.

First published in 1897, The Invisible Man is one of the first science fiction stories. The disturbing tale centers on Griffin, a scientist who has discovered the means to make himself invisible. His initial, almost comedic, adventures are soon overshadowed by the bizarre streak of terror he unleashes upon the inhabitants of a small village. Notable for its sheer invention, suspense, and psychological nuance, The Invisible Man had been filmed many times and continues to enthrall science-fiction fans today as it did the reading public nearly 100 years ago.

A strange man covered in bandages arrives in an English village one night, and after a series of burglaries, the villagers grow suspicious and attempt to arrest the man whom they are shocked to discover is invisible.

A New York Times Bestseller An unflinching account of what it means to be a young black man in America today, and how the existing script for black manhood is being rewritten in one of the most fascinating periods of American history. How do you learn to be a black man in America? For young black men today, it means

coming of age during the presidency of Barack Obama. It means witnessing the deaths of Oscar Grant, Trayvon Martin, Michael Brown, Akai Gurley, and too many more. It means celebrating powerful moments of black self-determination for LeBron James, Dave Chappelle, and Frank Ocean. In *Invisible Man*, Got the Whole World Watching, Mychal Denzel Smith chronicles his own personal and political education during these tumultuous years, describing his efforts to come into his own in a world that denied his humanity. Smith unapologetically upends reigning assumptions about black masculinity, rewriting the script for black manhood so that depression and anxiety aren't considered taboo, and feminism and LGBTQ rights become part of the fight. The questions Smith asks in this book are urgent--for him, for the martyrs and the tokens, and for the Trayvons that could have been and are still waiting.

A magical romance between a boy cursed with invisibility and the one girl who can see him, by New York Times bestselling authors Andrea Cremer (*Nightshade*) and David Levithan (*Every Day*) Stephen is used to invisibility. He was born that way. Invisible. Cursed. Elizabeth sometimes wishes for invisibility. When you're invisible, no one can hurt you. So when her mother decides to move the family to New York City, Elizabeth is thrilled. It's easy to blend in there. Then Stephen and Elizabeth meet. To Stephen's amazement, she can see him. And to Elizabeth's amazement, she wants him to be able to see her—all of her. But as the two become closer, an invisible world gets in their way—a world of grudges and misfortunes, spells and curses. And once they're thrust into this world, Elizabeth and Stephen must decide how deep they're going to go—because the answer could mean the difference between love and death. Praise for INVISIBILITY * " Levithan and Cremer again prove themselves masters of their craft. The inventive, enrapturing story that follows involves spellseekers and a curse-casting grandfather, but Stephen's and Elizabeth's journey is largely about redemption, self-acceptance, and love. Cremer and Levithan make Stephen's invisibility something every reader can relate to, and therein lies the magic." --Publishers Weekly, starred review "A must-read for both the realist and the romantic!" --Teen Vogue "[An] enigmatic mash-up of fantasy and romance set in contemporary real-world Manhattan. The collaboration of Levithan and Cremer creates a seamless narrative." --Booklist "Once in a while, along comes a book like this one, written by two great authors, with a fun premise and nice execution, and I don't feel like I need to cover my enjoyment of it with a cough and a sheepish grin. So thanks for that, Andrea Cremer and David Levithan!" --ForeverYA "Cremer and Levithan craft a tale of love and magic in their first collaborative effort." --School Library Journal "A fast-paced supernatural thriller that will surely leave readers wanting more.[A] love child of Buffy the Vampire Slayer and Levithan's *Every Day*." --Kirkus Reviews

The radiant, posthumous second novel by the visionary author of *Invisible Man*, featuring an introduction and a new postscript by Ralph Ellison's literary executor, John F. Callahan, and a preface by National Book Award-winning author Charles Johnson "Ralph Ellison's generosity, humor and nimble language are, of course, on display in *Juneteenth*, but it is his vigorous intellect that rules the novel. . . . A majestic narrative concept."--Toni Morrison In Washington, D.C., in the 1950s, Adam Sunraider, a race-baiting senator from New England, is mortally wounded by an assassin's bullet while making a speech on the Senate floor. To the shock of all who think they know him, Sunraider calls out from his deathbed for Alonzo Hickman, an old black minister, to be brought to his side. The reverend is summoned; the two are left alone. "Tell me what happened while there's still time," demands the dying Sunraider. Out of their conversation, and the inner rhythms of memories whose weight has been borne in silence for many long years, a story emerges. Senator Sunraider, once known as Bliss, was raised by Reverend Hickman in a black community steeped in religion and music (not unlike Ralph Ellison's own childhood home) and was brought up to be a preaching prodigy in a joyful black Baptist ministry that traveled throughout the South and the Southwest. Together one last time, the two men retrace the course of their shared life in an "anguished attempt," Ellison once put it, "to arrive at the true shape and substance of a sundered past and its meaning." In the end, the two men confront their most painful memories, memories that hold the key to understanding the mysteries of kinship and race that bind them, and to the senator's confronting how deeply estranged he had become from his true identity. In *Juneteenth*, Ralph Ellison evokes the rhythms of jazz and gospel and ordinary speech to tell a powerful tale of a prodigal son in the twentieth century. At the time of his death in 1994, Ellison was still expanding his novel in other directions, envisioning a grand, perhaps multivolume, story cycle. Always, in his mind, the character Hickman and the story of Sunraider's life from birth to death were the dramatic heart of the narrative. And so, with the aid of Ellison's widow, Fanny, his literary executor, John Callahan, has edited this magnificent novel at the center of Ralph Ellison's forty-year work in progress—its author's abiding testament to the country he so loved and to its many unfinished tasks.
