It's the night before the election and I don't know what to do. I voted. I editorialized. I unleashed swarms of reporters — well, two, anyway — into the wild to bring back the truth of these races. I've done all I can, I believe. But I still don't know what's going to happen. And the events that transpired back in 2016 loom in my ...

My first chemo treatment was by  
far my most problematic; I  
experienced nausea, vomiting,  
bone pain, and just could not eat  
or drink anything for a few days.  
My oncologist had prescribed  
meds to help me deal with the  
side effects before I began my  
treatment and I took those as  
needed, but still had issues for
