Our program walks you through the process, helps you avoid common mistakes that could cost you a lot of money and translate financial aid forms into English. We can help you design an integrated financial plan that combines college planning with your own long term financial goals. Hello, I'm Steve Shapiro, owner of Tuition Solutions Now.

College costs are continuing to rise, with a four-year private school averaging \$22,218 and a four-year public school averaging \$5,836 for the 2006-07 school year. The good news is that more than \$134 billion in financial aid is available. *The Scholarship & Financial Aid Handbook* will show you how to earmark some of that money for your college education, ensuring that you will be able to afford a higher education. In this book, you will learn about the different types of scholarships, including those based on academics, awards, honors, leadership, test scores, extracurricular activities, majors, community service, volunteer work, essays, financial aid, minority status, even some unusual ones. You will learn how to determine your eligibility for these scholarships, as well as how to enlist the help of your parents, how to recognize and avoid scholarship scams, how to create a résumé, how to ask and who to ask for letters of recommendation, how to ace interviews with scholarship committees, and how to prepare for your interview. Additionally, you will discover where to look for scholarships, from your school to local organizations, businesses, and online. You will be provided with tips on filling out applications and tips for writing essays, as well as how to alter your essays for multiple uses. Also included are possible essay topics, sample interview questions, and information on state grants, FAFSA, and work study. *The Scholarship & Financial Aid Handbook* is intended to be a guide for students, parents, and school personnel to assist students in finding and obtaining scholarships. The author uses her years of experience and exhaustive research to help you benefit from scholarships. Even if you do not have above average grades, participate in lots of extracurricular activities, or have an abundance of extracurricular activities, you can find money to go to college. Just read this book and apply the techniques found within.

Every parent wants the best for their child. That's why they send them to college! But most parents struggle to pay for school and end up turning to student loans. That's why the majority of graduates walk away with \$35,000 in student loan debt and no clue what that debt will really cost them.1 Student loan debt doesn't open doors for young adults—it closes them. They postpone getting married and starting a family. That debt even takes away their freedom to pursue their dreams. But there is a different way. Going to college without student loans is possible! In *Debt-Free Degree*, Anthony O'Neal teaches parents how to get their child through school without debt, even if they haven't saved for it. He also shows parents: *How to prepare their child for college *Which classes to take in high school *How and when to take the ACT and SAT *The right way to do college visits *How to choose a major A college education is supposed to prepare a graduate for their future, not rob them of their paycheck and freedom for decades. *Debt-Free Degree* shows parents how to pay cash for college and set their child up to succeed for life.

"The College Solution helps readers look beyond over-hyped admission rankings to discover schools that offer a quality education at affordable prices. Taking the guesswork out of saving and finding money for college, this is a practical and insightful must-have guide for every parent!" –Jaye J. Fenderson, *Seventeen's* College Columnist and Author, *Seventeen's* Guide to Getting into College "This book is a must read in an era of rising tuition and falling admission rates. O'Shaughnessy offers good advice with blessed clarity and brevity." –Jay Mathews, *Washington Post* Education Writer and Columnist "I would recommend any parent of a college-bound student read *The College Solution*." –Kal Chany, Author, *The Princeton Review's* *Paying for College Without Going Broke* "The College Solution goes beyond other guidebooks in providing an abundance of information about how to afford college, in addition to how to approach the selection process by putting the student first." –Martha "Marty" O'Connell, Executive Director, *Colleges That Change Lives* "Lynn O'Shaughnessy always focuses on what's in the consumer's best interest, telling families how to save money and avoid making costly mistakes." –Mark Kantrowitz, Publisher, *FinAid.org* and Author, *FastWeb College Gold* "An antidote to the hype and hysteria about getting in and paying for college! O'Shaughnessy has produced an excellent overview that demystifies the college planning process for students and families." –Barmak Nassirian, American Association of Collegiate Registrars and Admissions Officers For millions of families, the college planning experience has become extremely stressful. And, unless your child is an elite student in the academic top 1%, most books on the subject won't help you. Now, however, there's a college guide for everyone. In *The College Solution*, top personal finance journalist Lynn O'Shaughnessy presents an easy-to-use roadmap to finding the right college program (not just the most hyped) and dramatically reducing the cost of college, too. Forget the rankings! Discover what really matters: the quality and value of the programs your child wants and deserves. O'Shaughnessy uncovers "industry secrets" on how colleges actually parcel out financial aid—and how even "average" students can maximize their share. Learn how to send your kids to expensive private schools for virtually the cost of an in-state public college...and how promising students can pay significantly less than the "sticker price" even at the best state universities. No other book offers this much practical guidance on choosing a college...and no other book will save you as much money! • Secrets your school's guidance counselor doesn't know yet The surprising ways colleges have changed how they do business • Get every dime of financial aid that's out there for you Be a "fly on the wall" inside the college financial aid office • U.S. News & World Report: clueless about your child Beyond one-size-fits-all rankings: finding the right program for your teenager • The best bargains in higher education Overlooked academic choices that just might be perfect for you

The Scholarship System provides you with a step-by-step guide that you can actually implement in fewer hours than a part-time job yet realize the benefits for more than four years later. With proven strategies, examples and testimonies, *The Scholarship System* gives you a guide to make the scholarship process as easy and painless as possible regardless of your age, GPA, financial situation, or family background. With these same tactics, Jocelyn Paonita managed to bring in over \$125,000 in scholarships and financial aid, paying her entire college bill and giving her extra cash each semester. She was able to focus on her higher education rather than constantly worrying about money and how much student loan debt was piling up. With *The Scholarship System: 6 Simple Steps on How to Win College Scholarships and Financial Aid*, you can do the same thing too!

Millions of parents desire a quality private school education for their family, but simply cannot afford the cost of tuition. Scholarships and financial aid are the solution and help families address/eliminate the financial barriers that prevent access to a quality education. *How to Find Scholarships and Free Financial Aid for Private High School* is a valuable guide for families that want to know where to find free money for private high school tuition. This book shows parents over 30 ways to find, qualify for and win private high school scholarships and free financial aid. The author, Shay Spivey, is a scholarship expert and the parent of a private high school student. As the parent of a private high school student, Shay Spivey has developed proven tips and techniques that helped her daughter win over \$45,000 in scholarships and free financial aid to attend a prestigious college preparatory private high school. As a proven expert and professional consultant in her respective field, she is devoted to helping others find free money to access quality educational opportunities.

Few in the United States will dispute the assumption that every high school graduate should be entitled to go to college regardless of financial need. But should everyone be able to go regardless of academic preparedness? Jackson Toby explores the idea that federal financial aid programs, all of which peg student aid to need alone and not to academic performance, are dragging down college admissions and academic standards to the point where America's schools, students, and economy will no longer be globally competitive. After a half-century of teaching, distinguished educator Jackson Toby concludes that our current system all too often gives both high school and college students the impression that college is an entitlement and not a challenge. *The Lowering of Higher Education: Why Student Loans Should Be Based on Credit Worthiness* is Toby's unflinching look at this broken system and the ways it can be fixed. This volume documents just how far college admission standards have fallen and measures the cost of remedial programs designed to get underprepared high school students to the level they should have been at in the first place. Toby is both pointed and frank in his discussion on the issue of grade inflation, which rewards laziness while demoralizing hard-working students. To reverse the

national decline of academic standards in American colleges, Toby proposes a radical solution: Let federal student aid be tied to academic performance as well as financial need, incentivizing students to develop serious attitudes and study habits in high school and keep them up in college.

This report includes a list of books and Internet sources that may help locate student financial aid information for prospective, current, or graduating college and university students. This list includes both general and comprehensive works, as well as ones targeted toward specific types of aid and circumstances (e.g., non-need-based scholarships; female and minority students; students studying abroad; or veterans, military personnel, and their dependents). When possible, the summer release dates for 2012 publications are included as a tool for those doing early planning. Many of the websites listed enable a student to conduct and save general and individualized scholarship, grant, and loan searches on a variety of issues, including intended area of study. Some of these listed resources also contain information on repaying, forgiving, decreasing, or discharging incurred educational financial debt through a variety of options, such as employment in certain professions or localities. This is a print on demand report.
