Today, a fortune teller is the origami model that many children will first learn. It's the star of our new title, Origami Fortune Tellers, which has 80 uniquely designed sheets to tear out and fold. Everyone involved in making this pad remembers playing with fortune tellers when we were younger - although some of us called them 'cootie catchers', or 'chatterboxes' back then.

Origami: the magic of Fortune Tellers - Usborne Publishing

4.0 out of 5 stars Fun and easy origami. Reviewed in the United States on September 1, 2017. A book of 15 models to fold, some traditional models like the flapping bird and the windmill, and some modular like the crown and the Christmas tree. All of the models are fun and would be easy enough for kids while being fun for adults as well.
