Fortunately, she finds a willing tutor in Drew Moncrief, the Duke of Arden, a notorious rake whispered to be London's most magnificent lover. If his searing kisses are any indication, the duke is the ideal man to teach Roslyn how to be the perfect mistress. Drew begins schooling Roslyn while coolly guarding his heart. But as best-laid plans are thwarted by unexpected events—including a night of unforgettable passion—Roslyn and her wickedly arousing tutor discover how easily lessons in pleasure can become lessons in love. . . .

A NEW YORK TIMES BESTSELLER A New York Times Notable Book "Riveting, heartbreaking, sometimes difficult, always inspiring." —The New York Times Book Review "An incredibly moving memoir about what it means to be a doctor." —Ellen Pompeo As seen/heard on Fresh Air, The Daily Show with Trevor Noah, NBC Nightly News, MSNBC, Weekend Edition, and more An emergency room physician explores how a life of service to others taught her how to heal herself. Michele Harper is a female, African American emergency room physician in a profession that is overwhelmingly male and white. Brought up in Washington, D.C., in a complicated family, she went to Harvard, where she met her husband. They stayed together through medical school until two months before she was scheduled to join the staff of a hospital in central Philadelphia, when he told her he couldn't move with her. Her marriage at an end, Harper began her new life in a new city, in a new job, as a newly single woman. In the ensuing years, as Harper learned to become an effective ER physician, bringing insight and empathy to every patient encounter, she came to understand that each of us is broken—physically, emotionally, psychically. How we recognize those breaks, how we try to mend them, and where we go from there are all crucial parts of the healing process. *The Beauty in Breaking* is the poignant true story of Harper's journey toward self-healing. Each of the patients Harper writes about taught her something important about recuperation and recovery. How to let go of fear even when the future is murky: How to tell the truth when it's simpler to overlook it. How to understand that compassion isn't the same as justice. As she shines a light on the systemic disenfranchisement of the patients she treats as they struggle to maintain their health and dignity, Harper comes to understand the importance of allowing ourselves to make peace with the past as we draw support from the present. In this hopeful, moving, and beautiful book, she passes along the precious, necessary lessons that she has learned as a daughter, a woman, and a physician.

"Soul-stretching, breathtaking...A game-changing gift to readers." —Booklist (starred review) From Chloé Cooper Jones—Pulitzer Prize finalist, philosophy professor, Whiting Creative Nonfiction Grant recipient—a groundbreaking memoir about disability, motherhood, and a journey to far-flung places in search of a new way of seeing and being seen. "I am in a bar in Brooklyn, listening to two men, my friends, discuss whether my life is worth living." So begins Chloé Cooper Jones's bold, revealing account of moving through the world in a body that looks different than most. Jones learned early on to factor "pain calculations" into every plan, every situation. Born with a rare congenital condition called sacral agenesis which affects both her stature and gait, her pain is physical. But there is also the pain of being judged and pitied for her appearance, of being dismissed as "less than." The way she has been seen—or not seen—has informed her lens on the world her entire life. She resisted this reality by excelling academically and retreating to "the neutral room in her mind" until it passed. But after unexpectedly becoming a mother (in violation of unspoken social taboos about the disabled body), something in her shifts, and Jones sets off on a journey across the globe, reclaiming the spaces she'd been denied, and denied herself. From the bars and domestic spaces of her life in Brooklyn to sculpture gardens in Rome; from film festivals in Utah to a Beyoncé concert in Milan; from a tennis tournament in California to the Killing Fields of Phnom Penh, Jones weaves memory, observation, experience, and aesthetic philosophy to probe the myths underlying our standards of beauty and desirability, and interrogates her own complicity in upholding those myths. With its emotional depth, its prodigious, spiky intelligence, its passion and humor, *Easy Beauty* is the rare memoir that has the power to make you see the world, and your place in it, with new eyes.

Bestselling author and Orange Prize winner Ann Patchett's first work of non-fiction is a book about her long friendship with the critically acclaimed, and recently deceased author, Lucy Grealy. It is remarkable for me to remember now that I thought it would be possible to walk away from her, that she might have gone on living, but without me. I know now I never would have had the strength of my convictions. I am living in a world without Lucy. I have no choice about that. If she were alive and I had that choice, I wouldn't have been able to last without her for a day. 'What happens when the person who is your family is someone you aren't

bound to by blood? What happens when the person you promise to love and to honor for the rest of your life is not your lover, but your best friend? In her frank and startlingly intimate first work of nonfiction, *Truth & Beauty*, Ann Patchett shines light on the little explored world of women's friendships and shows us what it means to stand together. Ann Patchett and Lucy Grealy met in college in 1981, and after enrolling in the Iowa Writer's Workshop began a friendship that would be as defining to both of their lives as their work. Winner of the 2004 Man Booker Prize and a finalist for the Lambda Literary Award and the NBCC award. From Alan Hollinghurst, the acclaimed author of *The Sparsholt Affair*, *The Line of Beauty* is a sweeping novel about class, sex, and money during four extraordinary years of change and tragedy. In the summer of 1983, twenty-year-old Nick Guest moves into an attic room in the Notting Hill home of the Feddens: conservative Member of Parliament Gerald, his wealthy wife Rachel, and their two children, Toby-whom Nick had idolized at Oxford-and Catherine, who is highly critical of her family's assumptions and ambitions. As the boom years of the eighties unfold, Nick, an innocent in the world of politics and money, finds his life altered by the rising fortunes of this glamorous family. His two vividly contrasting love affairs, one with a young black clerk and one with a Lebanese millionaire, dramatize the dangers and rewards of his own private pursuit of beauty, a pursuit as compelling to Nick as the desire for power and riches among his friends. Richly textured, emotionally charged, disarmingly comic, this is a major work by one of our finest writers.

Feyi Adekola wants to learn how to be alive again. It's been five years since the accident that killed the love of her life and she's almost a new person now—an artist with her own studio and sharing a brownstone apartment with her ride-or-die best friend, Joy, who insists it's time for Feyi to ease back into the dating scene. Feyi isn't ready for anything serious, but a steamy encounter at a rooftop party cascades into a whirlwind summer she could have never imagined: a luxury trip to a tropical island, decadent meals in the glamorous home of a celebrity chef, and a major curator who wants to launch her art career. She's even started dating the perfect guy, but their new relationship might be sabotaged before it has a chance by the overwhelming desire Feyi feels every time she locks eyes with the one person in the house who is most definitely off-limits—his father. This new life she asked for just got a lot more complicated, and Feyi must begin her search for real answers. Who is she ready to become? Can she release her past and honor her grief while still embracing her future? And, of course, there's the biggest question of all—how far is she willing to go for a second chance at love? Akwaeke Emezi's vivid and passionate writing takes us deep into a world of possibility and healing, and the constant bravery of choosing love against all odds.
