Write Out of the Classroom is a ground-breaking, highly practical book which provides teachers and creative writing tutors with great ways of tapping into the huge inspirational and educational potential of the richly diverse world beyond the classroom walls. Effective learning occurs when the process feels exciting, inspiring and ' real ', and there is nothing more stimulating and ' real ' than the real world itself. Working with groups in interesting and evocative settings can generate exceptional participant involvement. Well-led ' locational brainstorming ' in such places increases vocabulary and produces an astonishing freshness of observation, ideas, language, plot and

metaphor. Teachers commonly notice a quantum leap in writing quality arising from these sessions. Based on the author's extensive experience in developing and leading out-of-classroom 'intelligent observation' and writing workshops, this unique book steers educators through the subtleties of guiding thoughtful data collection sessions in varied environments; selecting appropriate and motivational places and forms of writing, and running sessions linked to specific creative and factual writing tasks. The book covers the following areas and techniques and how they relate to out-of-classroom work: planning outings and choosing locations; leading language and ideas brainstorm sessions; descriptive poetry inspired by outdoor settings; 'reflective haikus', cinquains, and minimalist poetry; creating stunning plots and storylines; collective story writing; fictitious diary forms; descriptive travel writing; understanding poetry's mechanics and sound patterns; assisting students with editing. This detailed, practical book also contains examples of remarkable student creative writing produced through these techniques, as well as photocopiable pages which include original examples of specific writing forms to model from, explanatory diagrams, helpful checklists and handy teachers' 'crib sheets'. Write out of the Classroom is the perfect 'insider's guide' to teaching and inspiring creative writing. It is an essential tool for classroom teachers in both Primary and Secondary schools, creative writing tutors, literacy co-ordinators and PGCE students, as well as leaders in residential centres and forest schools.

Deborah Lee Luskin's critically acclaimed love story, *Into the Wilderness*, follows Rose Mayer after she has just buried her second husband and wonders what she's going to do with the rest of her life. The year is 1964, and Rose is no longer a young woman. Reluctantly, she visits her son at his summer place in Vermont, where there are neither sidewalks, Democrats nor other Jews. There is, however, the Marlboro Music Festival. It's there that she meets Percy Mendell, a born and bred Vermonter who has never married, never voted for a Democrat, and never left the state. Both Rose and Percy confront habits of a lifetime, habits that interfere with their undeniable attraction to one another. Rose confronts her religious ignorance and spiritual beliefs, while Percy is forced to question his life-long political faith. All this takes place in the small Vermont town of Orton, (pop. 290). *Into the Wilderness* is a tale of the outsider infiltrating a new community and how all parties negotiate their differences. It's also a tale of rural Vermont at mid-century, a time when the major technological advance was the Interstate highway, a road-building project that changed rural America as much as the information highway is changing the world today. Readers routinely say, "I didn't want it to end but I couldn't put it down." *Into The Wilderness* has been hailed as "a fiercely intelligent love story" and "a perfectly gratifying read." "Into the Wilderness is a poignant description of a specific place but it is also a timeless story of human fulfillment," says Frank Bryan of UVM. "Luskin's heroine Rose Mayer is an honest to God miracle. Rarely has a fictional creation come to seem so perfectly real to me, and never have I cheered out loud as a character in a novel worked her way through the last stages of grief," adds author Philip Baruth. Deborah Lee Luskin often writes about Vermont, where she has lived since 1984. She is a commentator for Vermont Public Radio, a free-lance journalist, and a Visiting Scholar for the Vermont Humanities. *Into The Wilderness* is her first published novel.
