Dangerous is the eighth studio album by American singer Michael Jackson.It was released by Epic Records on November 26, 1991. Co-produced by Jackson, Bill Bottrell, Teddy Riley, and Bruce Swedien, the album was Jackson's first since Forever, Michael (1975) to not be produced by longtime collaborator Quincy Jones.Featured appearances include Heavy D, Princess Stéphanie of Monaco, Slash and ...

Michael Jackson's Dangerous album cover. The cover features a black and white photograph of Jackson in a dark, moody setting, wearing a dark jacket and looking directly at the camera. The background is dark and textured, with some light reflecting off surfaces, creating a sense of depth and mystery. The overall aesthetic is classic and iconic, reflecting the gothic and horror themes of the album.

Born in Gary, Indiana, on August 29, 1958, Michael Jackson was definitely not a regular kid. A superstar with The Jackson 5 before he was eight years old, he became the King of Pop as a solo artist. Michael was a creative--yet deeply troubled--genius who always remained devoted to his art right up until his death is 2009 before a much anticipated tour. He had a pitch-perfect voice and footwork that his idol Fred Astaire admired. Who will ever forget the Moonwalk? Kids today who only know Jackson through video performances are nevertheless fascinated by him. Megan Stine provides a sensitive, fair-minded depiction of this unique music legend.

Michael Jackson's only autobiography, illustrated with rare photographs from Jackson family albums and Michael's personal photographic archives, as well as a drawing done by Michael exclusively for this book.

"Describes important moments and accomplishments in Michael Jackson's life in graphic novel format"--Provided by publisher.

A veteran music reporter offers a sweeping and vivid portrait of the King of Pop, from his first on-stage appearance at a local talent show in 1965, to his record-breaking album sales, Grammy awards, dance moves and years of scandal and controversy. --Publisher's description.

The investigative biography of Michael Jackson's final years: "A tale of family, fame, lost childhood, and startling accusations never heard before" (ABC Nightline). When Michael Jackson died on June 25, 2009, millions of fans around the world were shocked. But the outpouring of emotion that followed his loss was bittersweet. Dogged by scandal for years and undone by financial mismanagement, Jackson had become untouchable in many quarters. Untouchable pulls back the curtain Jackson's public person to introduce a man who, despite his immense fame, spent his entire life utterly alone; who, in the wake of a criminal trial that left him briefly hospitalized, abandoned Neverland to wander the globe before making one final-and fatal-attempt to recover his wealth and reputation. The Jackson that emerges in these pages is both naïve and cunning, a devoted father whose parenting became an international scandal, a shrewd businessman whose failures nearly brought down a megacorporation, and an inveterate narcissist who craved a quiet, normal life. Randall Sullivan delivers never-before-reported information about Jackson's business dealings, his relationship with his family, and the pedophilia allegations that derailed his life and mar his legacy today, as well as the suspicious nature of his death. Based on exclusive access to Jackson's inner circle, Untouchable is an intimate, unflinching portrait of the man who continues to reign as the King of Pop. "A dishy Michael Jackson biography that makes the exhaustively covered King of Pop fascinating all over again." --People

The renowned Pulitzer Prize-winning cultural critic brilliantly unravels the complexities of one of the most enigmatic figures of our time in this passionate, incisive, and bracing work of cultural analysis. Who is Michael Jackson and what does it mean to call him a “What Is It”? What do F. T. Barnum, Peter Pan, and Edgar Allan Poe have to do with our fascination with Jackson? How did his curious Victorian upbringing and his tenure as a child prodigy on the “chitlin’ circuit” inform his character and multiplicity of selves? How is Michael Jackson’s celebrity related to the outrageous popularity of nineteenth-century minstrelsy? What is the perverse appeal of child stars for grown-ups and what is the price of such stardom for these children and for us? What uncanniness provoked Michael Jackson to become “Alone of All His Race, Alone of All Her Sex,” while establishing himself as an undeniably great performer with neo-Gothic, dandy proclivities and a producer of visionary music videos? What do we find so unnerving about Michael Jackson’s presumed monstrosity? In short, how are we all of us implicated? In this stunning book, Margo Jefferson gives us the incontrovertible lowdown on call-him-what-you-wish; she offers a powerful reckoning with a quintessential, richly allusive signifier of American society and popular culture.

Photographer Todd Gray worked with Michael Jackson for several years before Michael requested that he become his personal photographer, a relationship that would encompass Michael’s performances with the Jacksons through the release of his smash solo albums Off the Wall and Thriller. This collection of unseen, intimate, and joyful pictures of Michael taken over a span of 10 years reveal him at home, with his family and fans, in career-making live performances, and on the “Beat It” video shoot. A young black man not much older than Jackson at the time they met, Gray brings unique insights to his time with the singer, contributing stories and context to the images, presenting a rare, intimate portrait of Michael at a creative peak as he grew from a brilliantly talented young man into a pop icon.

A former public relations consultant for Michael Jackson describes the singer's life and music career.

For half a century, Michael Jackson's music has been an indelible part of our cultural consciousness. Landmark albums such as Off the Wall and Thriller shattered records, broke racial barriers, amassed awards, and set a new standard for popular music. While his songs continue to be played in nearly every corner of the world, however, they have rarely been given serious critical attention. The first book dedicated solely to exploring his creative work, Man in the Music guides us through an unparalleled analysis of Jackson's recordings, album by album, from his trailblazing work with Quincy Jones to his later collaborations with Teddy Riley, Jimmy Jam, Terry Lewis, and Rodney Jerkins. Drawing on rare archival material and on dozens of original interviews with the collaborators, engineers, producers, and songwriters who helped bring the artist's music into the world, Jackson expert and acclaimed cultural critic Joseph Vogel reveals the inspirations, demos, studio sessions, technological advances, setbacks and breakthroughs, failures and triumphs, that gave rise to an immortal body of work.
